

Minutes of the meeting held on 20.04.2024 under the Chairmanship of Sh. Anil Joshi (IFS) Member Secretary, HPSPCB in the conference hall of HPSPCB with PIBOs, Plastic Waste Recyclers and ULBs to review the fulfillment of Extended Producer Responsibility under provisions of Plastic Waste Management Rules, 2016 and review the status of the directions issued by Hon'ble High Court in matter of CWP 2369 of 2018.

A meeting was held on 20.04.2024 under the Chairmanship of Sh. Anil Joshi (IFS) Member Secretary, HPSPCB in the conference hall of HPSPCB with PIBOs, Plastic Waste Recyclers and ULBs to review the fulfillment of Extended Producer Responsibility under provisions of Plastic Waste Management Rules, 2016 and review the status of the directions issued by Hon'ble High Court in matter of CWP 2369 of 2018. The Officials of HPSPCB, Urban Development, Department of Environment Science Technology and Climate Change, Urban Local Bodies, Brand Owners, Producers, Plastic Waste Processors and Waste Management Agencies were present in the meeting in person and via video conferencing. The attendance sheet is enclosed as **Annexure-I**.

At the outset, Er. Chandan Kr. Singh, Environmental Engineer, HPSPCB welcomed Sh. Anil Joshi, Member Secretary HPSPCB, officials from DEST, UDD, ULBs and all other participants present in the meeting.

Sh. Anil Joshi, Member Secretary HPSPCB then briefed the house about the concept of Extended Producer responsibility and duties of PIBOs and Plastic waste processors as per EPR Guidelines. He also apprised that earlier a meeting was held on 26.09.2023, 29.02.2024, 1.03.2024 and 2.04.2024 wherein various directions were issued to PIBOs, WMAs & PWPs for ensuring the Extended Producer Responsibility fulfillment in the State of Himachal Pradesh.

Thereafter, Sh. Chandan Kr. Singh, Environmental Engineer, HPSPCB delivered a detailed presentation on EPR guidelines laid under PWM Rules, 2016 informing the provisions under the Plastic Waste Management (PWM) Rules, 2016 (**copy of PPT enclosed as Annexure-II**). Further the Plastic Waste (Amendment) Rules, 2024 notified on 14th March, 2024 were apprised highlighting following: -

- *Definition of Manufacturer has been changed to: - "manufacturer" means and include a person or unit or agency engaged in production of plastic raw material to be used as raw material by the producer including compostable plastic.*
- *Definition of Importer has been changed to: "Importer" a person who imports for commercial use, any plastic packaging or any commodity with plastic packaging or carry bags or plastic sheets or like material, or plastic raw material including in the form of resin or pellets, or intermediate material to be used for manufacturing plastic packaging such as films or preforms.*
- *Manufacturers have to obtain EPR registration.*
- *Importer shall also include entities which are importing Plastic Packaging raw material in the form of Resin, pallets or intermediate products.*
- *Producer shall also include entities engaged in contract manufacturing of intermediate products to be used in plastic packaging or through*

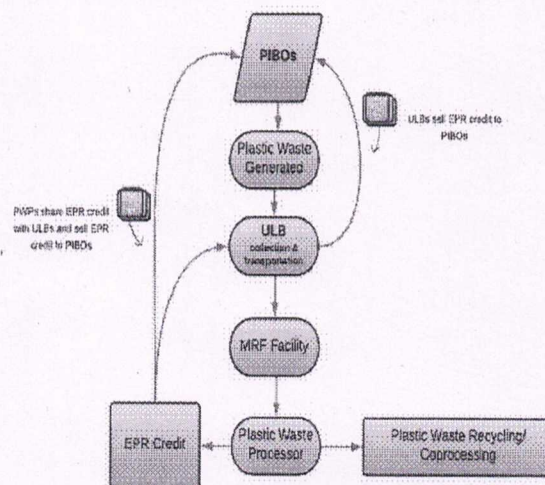

other similar arrangements for a brand owners.

- The local body shall undertake assessment of plastic waste generated, including plastic waste existing in dump sites, by the 30th June of every year.
- Micro & Small Producers are now exempted from EPR target, which is now shifted to Manufacturers and Importers, however they have to obtain the EPR Registration.
- Biodegradable plastic has been covered under EPR as Category-V.

(link to access the amendment rules https://eprplastic.cpcb.gov.in/plastic/downloads/Plastic_Waste_Management_Amendment_Rules_2024.pdf)

Thereafter the model mechanism to be adopted in the State regarding EPR certificate was elaborated by following example:

“Lets say a PIBO introduces 100 tonnes of plastic packaging in the State. Against the 100 tonnes of plastic waste, the PIBO shall purchase the EPR certificate on the CPCB centralized portal. The PWP in the State shall process the EPR Certificate on the CPCB portal against the quantity of Plastic Packaging waste processed by them. The PWP can sell the EPR certificate to the PIBOs. Also, PWP may share a portion of the EPR certificate to the ULB who is engaged in the collection and transportation of the plastic waste and for same, ULB and PWP shall make an agreement. Thereafter, after receiving the EPR certificate from PWP, ULB can further sell the EPR certificate to PIBO.”

Thereafter the SOP for EPR mandate for ULBs was explained as to how PWP can share the EPR Certificate to ULB and ULB can further sell the EPR certificate to PIBOs on CPCB portal. The SOP/ guidance manual is already uploaded on the website of CPCB EPR Registration Portal and the link is https://eprplastic.cpcb.gov.in/assets/pdfs/Guidance_Manual.pdf

It was further informed to the house that Hon'ble Hgh Court of Himachal Pradesh has taken a note on the need for effective implementation of Extended Producers Responsibility (EPR) in the matter of CPW No. 2369 of 2018 and is strictly monitoring its progress. Vide order dt. 23.03.2024, Hon'ble High Court has passed directions and its status is as below: -

“Table-1”

Directions issued	Status/ Directions										
<ul style="list-style-type: none"> All the entities, who have not yet applied for the EPR registration shall submit the cases within one month from today and for any query, the Units shall approach the ROs between 4.00-5.00 p.m. 	<p>The ROs have been directed to peruse the matter.</p> <p>The portal has not been properly functional and the CPCB is working on the issue.</p> <p>As of now following is the status of the registration issued by State Board: -</p> <table border="1" data-bbox="786 489 1353 726"> <thead> <tr> <th>Entity</th> <th>Entities registered</th> </tr> </thead> <tbody> <tr> <td>Producer</td> <td>109</td> </tr> <tr> <td>Importer</td> <td>62</td> </tr> <tr> <td>Brand Owner</td> <td>9</td> </tr> <tr> <td>Plastic Waste Processor</td> <td>40</td> </tr> </tbody> </table> <p>Direction</p> <p>ROs were directed to ensure compliance of the Hon'ble High Court. ROs shall not process/ grant the RCTO of PWP/PIBOs unless they submit application on the centralized portal for EPR registration.</p>	Entity	Entities registered	Producer	109	Importer	62	Brand Owner	9	Plastic Waste Processor	40
Entity	Entities registered										
Producer	109										
Importer	62										
Brand Owner	9										
Plastic Waste Processor	40										
<p>The registered Producers, Importers/Brand Owners ("PIBOs") and Waste Management Agencies ("WMAs") are directed to explore the registered Plastic Waste Processors ("PWPs") in the State of Himachal Pradesh as the PWPs are working on very minimal capacity and it otherwise would be more economical to process the waste within the State rather than transporting the same to other State.</p>	<p>A format was shared with PIBOs and the status received from PIBOs till date is enclosed as Annexure-III.</p> <p>Direction</p> <ul style="list-style-type: none"> All PIBOs (who have obtained registration either from HPSPCB or CPCB) were directed to ensure the compliance of the direction issued by Hon'ble High Court. All PIBOs shall submit the information in the prescribed format as in Annexure-III. ROs shall peruse the matter and ensure the submission of same. 										
<p>The HPSPCB shall upload the details of the registered PWPs in State on its website, so that PIBOs can coordinate with PWPs in the State for their EPR fulfillment.</p>	<p>The information has been uploaded and shall be updated as and when the CPCB EPR portal resumes working.</p>										
<p>Recycler (s) shall submit the detail of the quantity of plastic waste processed to the HPSPCB on quarterly basis.</p>	<p>Direction</p> <p>PWPs were directed to submit the information to HPSPCB for the period</p>										

	of Jan-March, 24 within 7 days.
All the PIBOs shall submit the detail of the plastic waste generated from their product in the State of H.P. and the PIBOs are directed to collaborate with the ULBs and GPs through WMAs and work out the modalities of effective collection, segregation and processing of plastic waste through registered PWPs in the State. A detailed report in this regard shall be submitted to HPSPCB within one month	<p>A format was shared with PIBOs and the information has been received from few PIBOs which is enclosed as Annexure-III.</p> <p>Direction</p> <ul style="list-style-type: none"> • All PIBOs (who have obtained registration either from HPSPCB or CPCB) were directed to ensure the compliance of the direction issued by Hon'ble High Court. • All PIBOs shall submit the information in the prescribed format as in Annexure-III. ROs shall peruse the matter and ensure the submission of same.
<p>The WMAs are directed to submit the consolidated details such as ;</p> <p>(a) List of PIBOs on behalf of whom they fulfill EPR targets in Himachal Pradesh;</p> <p>(b) Details of plastic waste collection in H.P. (the detail information, shall include the contact agreement with the ULBs/Vendor/Aggregator, storage facilities in HP)</p> <p>(c) Details of the disposal of plastic waste. The details shall be provided for financial year 2022-23 and 2023-24 within 15 days.</p>	<p>Direction</p> <p>The WMAs were directed to submit the information to HPSPCB within 1 week.</p>
All the registered PWPs are directed to tie up with ULBs/WMAs for the processing of postconsumer waste and start generating the EPR certificate on the Centralized Portal of the CPCB and also ensure the submission of annual report on the portal.	<p>A format was shared with PWPs and the information received so far from PWPs is enclosed as Annexure-IV.</p> <p>It was observed that most of the PWPs do not receive waste from ULBs.</p> <p>Also most of the PWPs have yet not initiated the EPR certificate generation on the centralized portal</p> <p>Direction</p> <ul style="list-style-type: none"> • PWPs were directed to start generating the EPR certificate on CPCB portal and submit the annual report on the portal. • All PWPs shall submit the

	information in the prescribed format as in Annexure-IV. ROs shall peruse the matter and ensure the submission of same.
All PIBOs working in the State of H.P. shall submit progress of EPR compliance through online portal on quarterly basis and not through offline mode.	Direction All PIBOs were direct to comply with the direction.
Rural Development Department ("RDD") shall provide the details of the gram panchayats wherein the plastic management units are being established within 15 days	No information has been received. Decision taken RDD is requested to submit the requisite detail.
All ULBs shall generate their login credentials on the Centralized portal of CPCB for EPR registration as has already been directed by this Court.	UDD apprised that the login credentials of 32 ULBs has been generated. The credentials of the rest of ULBs shall be generated as and when the portal resumes.
All the ROs of the Pollution Control Board ("PCB") shall submit progress report on fortnightly basis after coordinating with all the stakeholders, with respect to registration and EPR compliance	Direction All ROs were directed to ensure compliance.
The CPCB is directed to ensure that brand-owners submit the details of the plastic packaging sold in the State of Himachal Pradesh so that the EPR fulfillment of those brand-owners can be ensured within the State of H.P.	Direction In view of the direction issued by Hon'ble High Court, all PIBOs who have obtained EPR registration from CPCB shall prepare the Himachal specific target and shall be meet out the same within Himachal Pradesh by tie-up with PWPs and ULBs in the State.

ULBs apprised the Chairman about the issue with Cement Plants and non-receipt of money from Buy back Policy.

After detailed discussions and deliberations, following directions were issued by the Chair: -

1. **All stakeholders shall ensure the compliance of the Hon'ble High Court order dt. 23.03.2024 passed in CWP 2369 of 2018 and the directions/ decision taken as mentioned in Table-1 above.**
2. **The DEST & CC shall reassess funding mechanism in the Policy for Buy-back of Non-recyclable Plastic Waste formulated in Oct., 2019. The DEST & CC may also consider to include the buy-back of packaging/ commodities made up of compostable & biodegradable plastic in the current policy.**

3. Urban Development Department and Urban Local Bodies to ensure that the informal sector shall not take away the recyclable/ valuable plastic during the collection by ULBs or from the processing site of the ULBs at free of cost.
4. ULBs shall ensure that the segregated waste is collected from the households and strict action to be taken against defaulters.
5. ULBs shall provide training to their staff/ workers so as to identify and segregate different categories of plastic waste (Cat-I, Cat-II, Cat-III, Cat-IV and Cat-V).
6. UDD shall conduct a meeting with Cement Plants operational in the State regarding the issue of transportation of waste for co-processing. Further, an agreement shall be made between UDD and Cement Plants regarding exchange of EPR certificate on the centralized portal of CPCB.
7. ULBs shall ensure that the recyclable plastic waste shall be stored in the shed with proper partition and the same shall be channelized to registered Plastic Waste Processors.
8. UDD shall identify and shortlist the ULBs who have adequate Solid Waste Processing facility where dry segregated plastic waste is being stored, so that the identified ULBs can tie up with Plastic Waste Processors/ Recyclers to channelize the plastic waste of optimum quality to PWPs.
9. The identified/ shortlisted ULBs and PWPs shall make an agreement related to the transfer of EPR certificate on the CPCB centralized portal for EPR registration under PWM Rules, 2016 in view of the services (i.e. collection, transportation, segregation of plastic waste) provided by ULBs.
10. In view of the PWM Amendment Rule 2024, UDD shall ensure that all local bodies shall undertake assessment of plastic waste generated, including plastic waste existing in dump sites, by the 30th June of every year.
11. HPSPCB shall upload all the proceedings, public notices and other important correspondences on the website of HPSPCB.

The meeting ended with a vote of thanks to and from the Chair.

Annexure-II

Fulfilment of Extended Producer Responsibility

under

Plastic Waste Management Rules, 2016

20th April, 2024

Chaired by

Shri Anil Joshi (IFS)

Member Secretary,

HP Pollution Control Board

With Producers/ Importers/ Brand Owners (PIBOs), Waste Management Agencies (WMA) and Plastic Waste Processors (PWPs) and ULB

Himachal Pradesh State Pollution Control Board

Him Parivesh, Phase-III, New Shimla -171009

Agenda of the Meeting

- 1. Introduction of Plastic EPR mandate, Amendment of New Plastic Waste Management (Amendment) Rules, 2024.**
- 2. Directions in meeting on 26.09.2023 and 02.03.2024.**
- 3. SOPs for ULBs after generation of Login credentials.**
- 4. Issue of UD/ULBs with Cement Plants.**
- 5. Status of PWPs as per the format.**
- 6. Status of Producers/Brand Owners/ Importers working with PWPs.**
- 7. Possible agreement of ULBs with PWPs.**
- 8. Final discussion and way forward.**

Agenda-1

Introduction of Plastic EPR mandate, Amendment of New Plastic Waste Management (Amendment) Rules, 2024.

- Plastic Waste Management (PWM) Rules, 2016 on 18th March, 2016, superseding Plastic Waste (Management & Handling) Rules, 2011.
- Plastic Waste (Amendment Rules), 2018.
- Plastic Waste Management Amendment Rules, 2021 on dated 12th August, 2021 which prohibited **specific single-use plastic items** which have “low utility and high littering potential” by 2022.
- Plastic Waste (Amendment Rules), 2022 wherein the guidelines for the **Extended Producer Responsibilities** has been notified.
- **8th Amendment : Plastic Waste (Amendment Rules), 2024 dated 14th march, 2024 wherein the additional guidelines for the **Extended Producer Responsibilities and other categories** has been defined.**

Types of plastics covered under EPR for plastics

Category I

Rigid plastic packaging

Category II

Flexible plastic packaging of single layer or multilayer (more than one layer with different types of plastic)

Category III

Multilayered plastic packaging (at least one layer of plastic and at least one layer of material other than plastic)

Category IV

Plastic sheet or like used for packaging as well as carry bags made of compostable plastics

Category V : Plastic sheet or like used for packaging as well as carry bags made of biodegradable plastics

Plastic Waste Management Rules, 2016

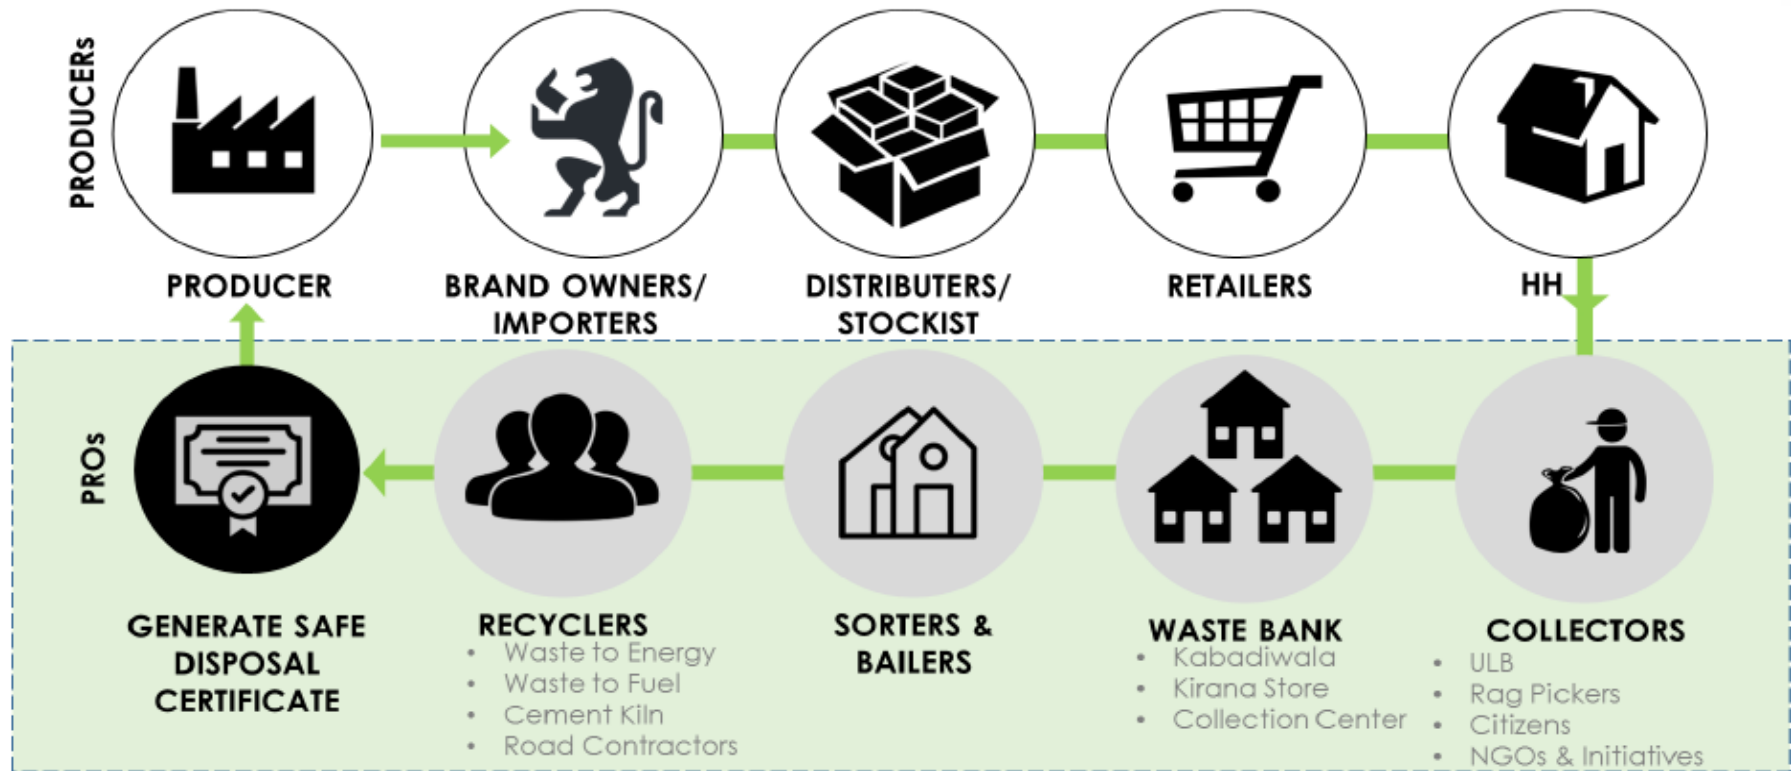

*“**Producer**” means person(s) engaged in manufacturing or import of carry bags or multi-layered packaging or plastic sheets or like, and includes industries or individuals using plastic sheets or like or covers made of plastic sheets or multi-layered packaging for packaging or wrapping the commodity*

*“**Importer**” means a person who imports or intends to import plastic packaging product or products with plastic packaging or carry bags or multi-layered packaging or plastic sheets or like*

*“**Brand owner**” means a person or company who sells any commodity under a registered brand label.*

*“**manufacturer**” means and include a person or unit or agency engaged in production of plastic raw material to be used as raw material by the producer including compostable plastic.*

Extended Producer Responsibility (EPR)

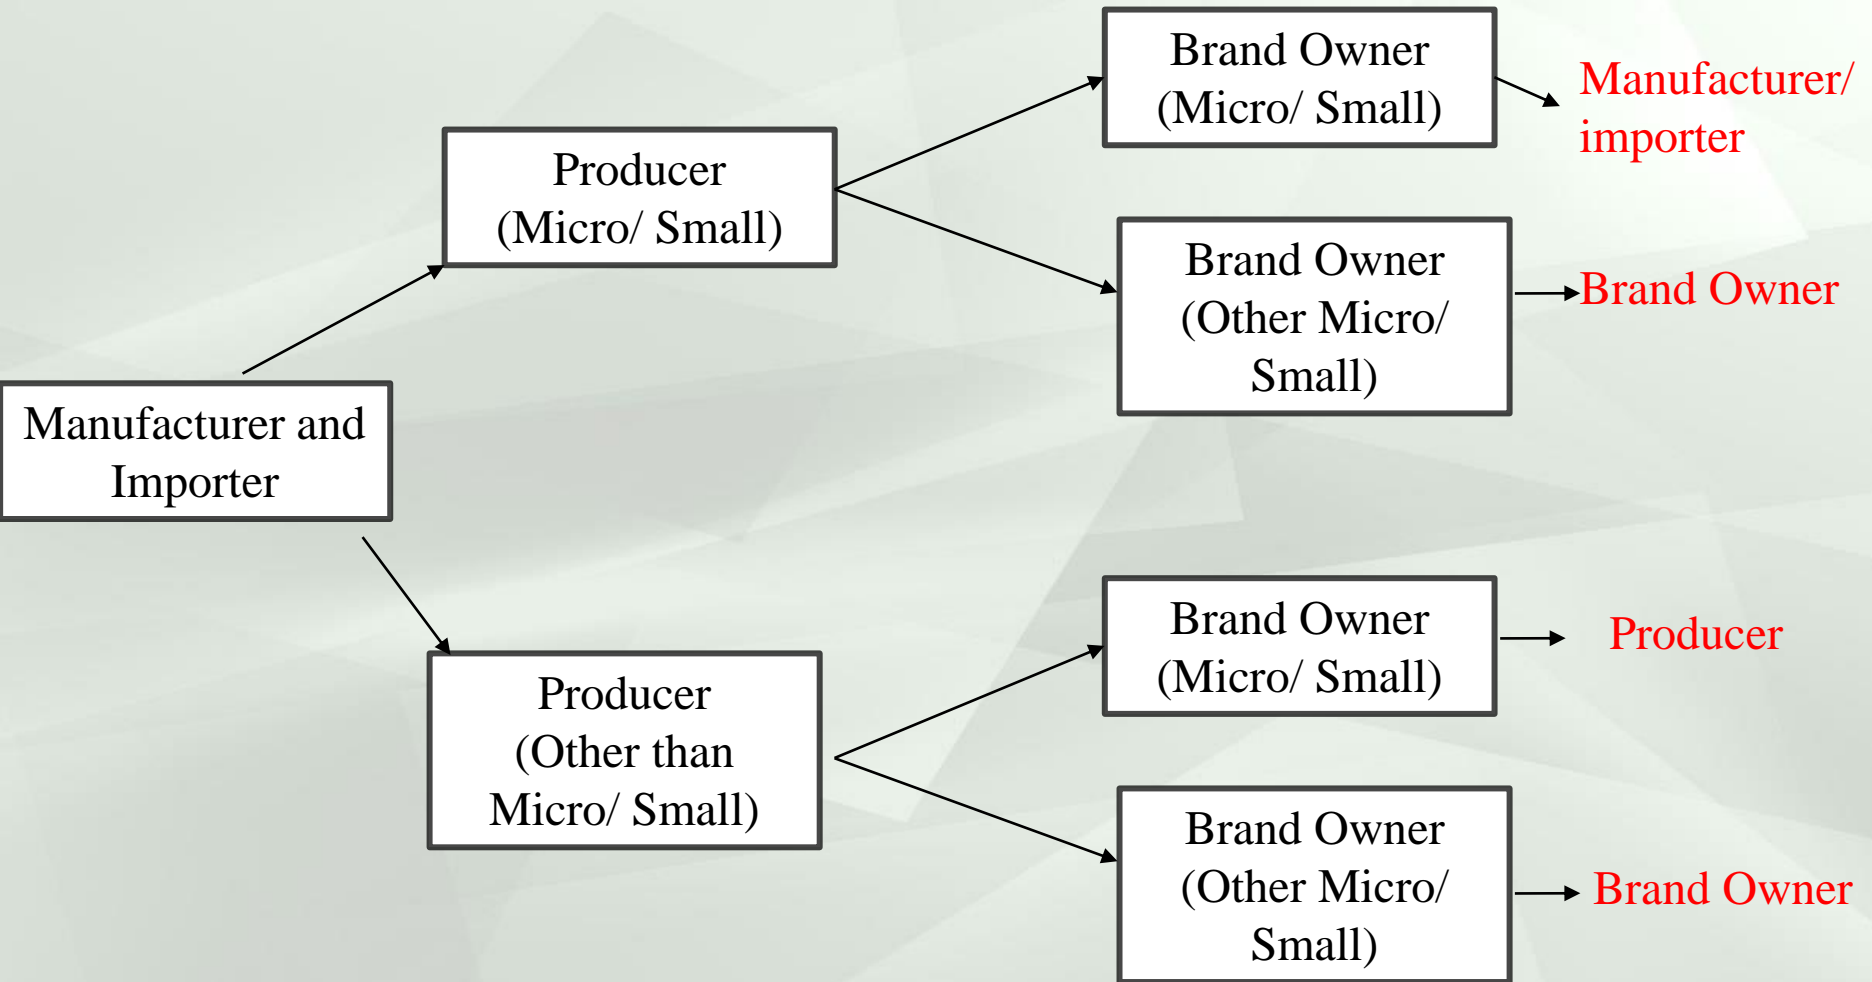

Elements of EPR GUIDELINES

Notified by MoEF&CC in 14th March 2024

(8th Amendment to PWM Rules 2016)

- Manufacturers are also have to obtain **EPR registration.**
- Importer shall also include entities which are importing **Plastic Packaging raw material in the form of Resin, pallets or intermediate products.**
- Producer shall also include entities engaged in **contract manufacturing of intermediate products to be used in plastic packaging or through other similar arrangements for a brand owners.**
- **The local body shall undertake assessment of plastic waste generated, including plastic waste existing in dump sites, by the 30th June of every year.**
- Micro, Small Producers are now exempted from EPR liability, which is now shifted to Micro and Small Manufacturers and Importers.

**PW : Segregation & Channelization thru
Local Bodies/ WMAs/ Others channels**

Elements of EPR GUIDELINES

Notified by MoEF&CC in 14th March 2024

(8th Amendment to PWM Rules 2016)

- Producers, Importers, Brand-Owners and Manufacturers, and manufacturers of commodities made from compostable plastic or biodegradable plastic may operate schemes such as **deposit refund system** or **buy back** or **any other model** in order to develop a separate waste stream for collection of plastic packaging waste for directly fulfilling Extended Producer Responsibility obligations to prevent mixing of plastic packaging waste with solid waste.¶
- The Producers, Importers, Brand-Owners and manufacturers, and manufacturers shall provide the details of certificates for plastic waste recycled and sent for end of life disposal, by **30th June of next financial year while filing annual returns on the online portal.**
- **ULBs can also generate EPR certificates for bio-degradable plastics.**

anced security features has commenced on 14.4.24. Services of User Accounts of registered PWPs in four States/ UT viz. cherry are being resumed in the first phase. Please visit this section for further updates on the matter.

Current issues

- No system i.e. MRF facility, collection points has been established by PIBOs for collecting back the plastic waste generated due to their products in Himachal Pradesh.
- Waste is being managed solely by ULBs with no support from PIBOs.
- Informal sector indulged in transportation of selective waste to kabariwalas, recyclers etc.
- PIBOs has engaged Waste Management Agencies (WMAs) to fulfill EPR targets.
- It is difficult to track the progress made by WMAs as no certification is provided to them by either State Board or CPCB, neither they are covered under PWM rules.

Agenda-2

Directions issued by Hon'ble High Court in in the matter of CPW No. 2369 of 2018 order dt. 23.03.2024

- All the entities, who have not yet applied for the **EPR** registration shall submit the cases **within one month from today(i.e by 22rd April)** and for any query, the Units shall approach the **ROs** between 4:00-5:00pm.
- The registered **PIBOs** and **WMAs** are directed to explore the registered **PWPs** in the State of Himachal Pradesh as the **PWPs** are working on very minimal capacity.
- The **HPSPCB** shall upload the details of the registered **PWPs** in State on its **website**, so that **PIBOs** can coordinate with **PWPs** in the State for their **EPR** fulfilment.
- **Recycler (s)** shall submit the detail of the quantity of plastic waste processed to the **HPSPCB** on quarterly basis.
- All the **PIBOs** shall submit the detail of the plastic waste generated from their product in the State of H.P. and the **PIBOs** are directed to collaborate with the **ULBs** and **GPs** through **WMAs** and work out the modalities of effective collection, segregation and processing of plastic waste through registered **PWPs** in the State. A detailed report in this regard shall be submitted to **HPSPCB** within one month

Directions issued by Hon'ble High Court in in the matter of CPW No. 2369 of 2018 order dt. 23.03.2024

- **WMAs** are directed to submit the consolidated details such as:
 - (a) **List of PIBOs** on behalf of whom they fulfill **EPR** targets in Himachal Pradesh;
 - (b) **Details of plastic waste collection in H.P.** the detail shall include the contact information, agreement with the **ULBs/ Vendor, Aggregator, storage facilities in HP.**
 - (c) **The details of the disposal of plastic waste. The details shall be provided for financial year 2022-23 and 2023-24 within 15 day.**
- **All the registered PWPs** are directed to tie up with **ULBs/WMAs** for the processing of postconsumer waste and start generating the **EPR** certificate on the Centralized Portal of the **CPCB** and also ensure the submission of annual report on the portal.
- **All PIBOs** working in the State of H.P. shall submit progress of **EPR** compliance through online portal on quarterly basis and not through offline mode.--offline

Directions issued by Hon'ble High Court in in the matter of CPW No. 2369 of 2018 order dt. 23.03.2024

- The CPCB is directed to ensure that brand-owners submit the details of the plastic packaging sold in the State of Himachal Pradesh so that the EPR fulfillment of those brand-owners can be ensured within the State of H.P.**

Agenda-3

SOPs for EPR mandate for ULBs

The Plastic Waste Management Rules cast the responsibility of **collection, transportation and disposal of plastic waste** on the local bodies.

(I) The Local bodies can engage in the EPR framework following the two mechanisms described below:

- **Local Bodies provide resources (Plastic Waste / Material Recovery facility/ Transportation facility etc.) to PWPs.**
- **PWPs issue certificates to Local Bodies in lieu of facilities provided.**
- **Local Bodies can trade these certificates with PIBOs to fulfill their EPR liability**

(ii) Local Bodies can set up PWP facility and generate EPR Certificates which can be transferred to PIBO to fulfill their EPR liability.

Login Credentials for State Nodal Officers by CPCB and creation of Login Credentials for ULBs by State Nodal officers has been made on the EPR Portal.

Further, the following provisions have been made on the EPR Portal Mechanism

- 1. Procurement of EPR Certificates from PWP.**
- 2. Transfer of EPR Certificate to PIBO Mechanism.**

Mechanism : EPR Credit exchange

- PWP can transfer EPR Certificates to ULB in lieu of services provided by ULB to the PWP

- ULB can transfer the EPR Certificates to PIBOs

ULB Wallet

The screenshot displays the 'ULB Wallet' interface. At the top, it shows 'Certificate Trading' for the financial year '2022-23'. There are buttons for 'Generate Certificate' and 'Transfer Certificate'. A success message indicates a transfer request was made successfully. Below this, a message prompts the user to click the refresh button to update the wallet. The main area contains four summary cards for different recycling categories: Cat-I, Cat-II, Cat-III, and Cat-IV. Each card lists Processing Capacity, Cumulative Certificate Potential, Available Potential, Used Potential, and Total Certificate Value. Below these cards is a table of transactions, with the 'Debit Transactions' tab selected. The table has columns for SLNo, Date, Transaction ID, Transfer To, Status, and Amount. The first transaction shows a transfer of 15 units to 'City SP(ULB)' on 08/12/2022.

Certificate Trading Summary:

Category	Cat-I Recycling	Cat-II Recycling	Cat-III Recycling	Cat-IV Recycling
Processing Capacity(MT)	4000	2000	2000	0
Cumulative Certificate Potential(MT)	883.05	60	0	0
Available Potential(MT)	398.05	20	0	0
Used Potential(MT)	485	40	0	0
Total Certificate Value(MT)	86	0	0	0

Transaction Table:

SLNo	Date	Transaction ID	Transfer To	Status	Amount
1	08/12/2022 15:01:56	TXID2022000203	City SP(ULB)	success	15
2	06/12/2022 11:21:47	TXID2022000200	Innovative Technologies(Brand Own...	success	1

Agenda 5 & 6

- **Status of PWPs as per the format.**
- **Status of Producers/Brand Owners/
Importers working with PWPs.**

Agenda 4

Issue of UD/ULBs with Cement Plants

Agenda : 7

Agreement of ULBs with PWPs.

Discussion and way forward

Thank You

Producer
