

**BEFORE THE NATIONAL GREEN TRIBUNAL
PRINCIPAL BENCH, NEW DELHI**

Original Application No. 804/2017
(Earlier O. A. No. 36/2012)

Rajiv Narayan & Anr.

Applicant(s)

Versus

Union of India & Ors.

Respondent(s)

Date of hearing: 29.01.2021

**CORAM: HON'BLE MR. JUSTICE ADARSH KUMAR GOEL, CHAIRPERSON
HON'BLE MR. JUSTICE SHEO KUMAR SINGH, JUDICIAL MEMBER
HON'BLE DR. NAGIN NANDA, EXPERT MEMBER**

Applicant: Ms. Meera Gopal, Advocate

Respondent: Mr. Raj Kumar, Advocate for CPCB

ORDER

1. This order is being passed in continuation of order dated 07.07.2020 on the subject of compliance of the Hazardous and Other Waste (Management and Transboundary Movement Rules, 2019 ("HOWM Rules").

2. Due to alarming situation created by generation and unscientific dumping of hazardous waste resulting in serious and irreversible damage to the environment and public health, the issue was considered by the Hon'ble Supreme Court *inter alia* in *Writ Petition No. 657/1995, The Research Foundation for Science, Technology and Natural Resource Policy Vs. Union of India & Ors., (2005) 10 SCC 510*. Directions were issued for preparation of a comprehensive report on illegal hazardous waste dump sites, inventory of generation of such waste, National Inventory for Rehabilitation of Hazardous Waste Dump Sites and Regulation of Import etc. The Hon'ble Supreme Court referred to Basel Convention and

MARPOL Convention and also considered and accepted the recommendation of the High-Powered Committee on the subject of handling of hazardous waste generated by the ship breaking process and also the waste oil or such other material. MoEF&CC was directed to consider making a provision for bank guarantee by the importers using used oil, furnace oil and zinc waste to regulate illegal transboundary movement of hazardous waste. Directions were also issued for publication of toxic inventory and community participation. Timelines were prescribed for twenty-nine specified activities to be undertaken by MoEF&CC, CPCB, SPCBs/PCCs. The matter was disposed of vide judgment dated 06.07.2012 reported in (2012) 7 SCC 769 reiterating continued compliance of earlier directions with further directions for scientific handling of hazardous waste including ship breaking, banning import of hazardous waste and reviewing and revising Hazardous Waste (Management and Handling) Rules, 1989 to cover the aspects not satisfactorily dealt with and also to provide adequate protection to the workers and the public.

3. This Tribunal while considering the compliance of order dated 13.01.2015 in O.A. No. 36/2012 relating to pollution at Ghaziabad, vide order dated 29.08.2017 considered the issue of compliance of HOWM Rules seeking information with reference to the following questions:-

- “(a) As to what is the total generation of hazardous waste in their respective States.*
- (b) Which agencies have been authorized in terms of rules to collect, transport, disposed of and the process of the hazardous wastes.*
- (c) What is the capacity of the plants which have been given due authorization for that purpose.*
- (d) What happens and how the remnant hazardous waste is being dealt with.*
- (e) The members who have been allotted any of the authorized plants and are not sending hazardous waste to those plants.*

What action the concerned authorities i.e. the State Government and the respective States and State Pollution Control Boards have taken so far, against such members. These details should be filed within one week from today.”

4. The present Original Application was registered after considering the status of compliance. Vide order dated 30.07.2018, this Tribunal directed constitution of a Monitoring Committee by the CPCB to compile information about the status of compliance of the HOWM Rules. Further order was passed on 05.12.2018 in the light of the order of the Hon’ble Supreme Court dated 18.07.2018 transferring consideration of prayers before the Hon’ble Supreme Court on the following issues:-

- “(a) Preparation of a National Inventory of Hazardous wastes;*
- (b) Complete identification and registration of Hazardous wastes generating units in the country;*
- (c) Construction of TSDF/Landfills;*
- (d) Hazardous Waste Dump Sites;*
- (e) Waste oil/used oil read with the order dated 23.10.2007;*
- (f) Setting up of laboratories at the dock/ports;*
- (g) Institutional Reforms in MoEF, CPCB, SPCB, PCC;*
- (h) National policy documents on Hazardous Wastes as well as cleaner technology;*
- (i) Regarding workers handling hazardous wastes.”*

5. CPCB constituted a Monitoring Committee on 09.08.2018 and issued following directions to all PCBs and PCCs:-

- “(a) Ensure that all the solvent recovery industries in the state have mandatory Authorisation for the same in compliance with the SOP and Checklist issued by CPCB for solvent recovery units, within one month. The said SOP and checklist have been circulated to all SPCBs/PCCs vide letter no. B29016/(SC)/1(55-IV)/17-18/WMII/18152-86 dated 08/3/2018 and is also available at CPCB website http://cpcb.nic.in/uploads/hwmd/utilizaionspent_solvent.pdf.*
- (b) Ensure that these solvent recovery industries shall immediately follow the SOP, for safe and scientific spent solvent handling, processing and storage.*
- (c) Ensure that such solvent recovery units shall comply with the provisions of HOWM Rules, 2016, in terms of interstate transport of Hazardous waste and manifest document prescribed under Rule 18 and 19 of the HOWM Rules, 2016, with immediate effect. Stringent action be taken against the erring industries who are giving the*

spent solvent to such recycling industries without following the manifest systems.

(d) Conduct industry interaction programs within a month to create awareness and sensitization on HOWM Rules, 2016 with all the stakeholder industries of Spent Solvent generation/utilization.

(e) Prepare an inventory of such solvent recovery units and publish the same on their website for information of all, stakeholders within one month with copy to CPCB within one month.”

6. In the light of the interim report of the Monitoring Committee, the Tribunal passed order dated 12.04.2019 directing the Chief Secretaries of the States at the State level and Ministry of Environment, Forest and Climate Change (MoEF&CC) and CPCB at the national level to monitor the compliance of the recommendations. The Committee was directed to complete its remaining task within three months. The CPCB was to complete its report on the regime of compensation for violation of the HOWM Rules.

7. Thereafter, vide order dated 26.08.2019, the Tribunal considered the report of the Monitoring Committee dated 23.07.2019 and report of the CPCB dated 14.08.2019 under the following headings:-

- “(i) Contaminated Sites and Related Issues*
- (ii) Import and Export of Hazardous Wastes and Issues*
- (iii) Waste Reception Facilities for wastes generated from ships and issues*
- (iv) Impact of HW on Workers’ Health*
- (v) Status of compliance of issues with regard to orders of Hon’ble Supreme Court dated 14.10.2003.”*

8. The Tribunal accepted the recommendations of the Committee and the CPCB and directed follow up action. The operative part of the directions is quoted below:-

“20. In the light of above, the States/UTs, CPCB/SPCBs/PCCs, the Central Board of Indirect Taxes and Customs (CBIC), the Port Authorities, the DGFT, the MoEF&CC, the Ministry of Shipping, Ministry of Labour and Employment and the

Department of Labour of all the concerned States/UTs may take necessary steps in terms of the recommendations of the Committee within the timelines specified. If there is any default, the Tribunal may consider requiring environmental compensation to be paid by the defaulting parties. While doing so following specific steps may be ensured:

- i. **Hazardous waste inventory be updated** and verified by way of test checks to ensure that the same is credible, reliable and robust in terms of contents and scope, as already recommended in the interim report of the Monitoring Committee dated 29.01.2019 which was accepted by the Tribunal on 12.04.2019.
- ii. Since it has been reported that State Boards/PCCs of Dadra & Nagar Haveli, Haryana, Daman & Diu, Manipur, Lakshadweep and Nagaland have not furnished the relevant data, the said States/UTs may furnish the data within one month to the CPCB, failing which they will be liable to pay a sum of Rs, 1 lakh per month with effect from 01.10.2019.
- iii. As already directed, all the **States which have not set up TSDF may do so and the States which fail to set up the same up to 31.03.2020**, will be liable to pay environmental compensation of Rs. 10 lakh per month. However, with regard to States which may be categorized as small States, having regard to the quantum and nature of generation of hazardous waste, the liability to pay compensation will start from 01.01.2021. The categorization based on threshold limit of generation of hazardous waste be made by the CPCB within one month from today and placed on its website.
- iv. **126 sites which have already been identified as contaminated may be cleared of the hazardous waste within six months** so that remediation process may start. The remediation work may start at the 55 sites for which DPRs have been completed within the timelines specified in the DPRs. For the remaining 71 sites, DPRs may be completed expeditiously but not later than one year and thereafter remediation may be done as per the timelines in the DPRs.
- v. Failure to remove the waste from the 126 identified sites, will result in environmental compensation to be paid at the rate of Rs. 10 lakhs per site from 01.04.2020 by the concerned SPCBs/PCCs to the CPCB. Same rate will apply in respect of such of the 195 sites as are identified as contaminated with effect from 01.01.2021.
- vi. **With regard to 195 probable contaminated sites, the assessment may be completed within six months** and thereafter the waste may be removed within next six months from sites cleared by the CPCB to be contaminated.

- vii. **The clearance of site by way of disposal or transfer should be strictly as per the HOWM Rules, to be monitored by the CPCB.** The cost of removal of waste may be first paid out of the environment funds/consent funds available with the State PCBs/PCCs and thereafter recovered from the persons concerned.
- viii. Whenever any difficulty arises, the CPCB may, on being so satisfied, allocate funds from environment funds available with it, which may thereafter be recovered from the concerned defaulters.
- ix. The recommendations of the CPCB with regard to the compensation regime on the subject may be adopted, subject to further consideration of orders.
- x. The CPCB may oversee the compliance of these directions compile data from all quarters and furnish an interim compliance report before 15.04.2020 by email at judicial-ngt@gov.in.”

9. The matter was further reviewed vide order dated 07.07.2020 as follows:-

10. It is in the above background that the present report dated 24.06.2020 has been filed by the CPCB. In short, the report deals with the compliance status as to updating of Hazardous Waste (“HW”) inventory, status of setting up of TSDFs, remediation of contaminated sites, completing the process of identification of remaining ‘probably’ contaminated sites and their remediation and recovery of compensation.

11. We have heard Shri Raj Panjwani, Senior Advocate for the Applicant and Shri Rajkumar, Advocate for the CPCB.

12. The stand of the States PCBs/PCCs and States/UTs is already reflected in the report. Summary of status of compliance with reference to the directions of this Tribunal has been provided by the CPCB as follows:-

“The point wise action taken and status on the directions dated 26/08/2019 of the Hon’ble NGT is as below:

S. No.	Direction of Hon’ble NGT	Status of Compliance
i.	Hazardous waste inventory be updated and verified by way of test checks to ensure that the same is credible, reliable and robust in terms of contents and scope, as already recommended in the interim report of the Monitoring Committee dated	<ul style="list-style-type: none"> • CPCB has prepared guidelines for “Preparation of Inventory on Hazardous and Other Waste Generation and their Management” and circulated to all SPCBs/PCCs for preparation and submission of annual inventory vide letter dated 25/06/2019. Same is placed on

	<p>29/01/2019 which was accepted by the Tribunal on 12.04.2019.</p>	<p>CPCB website.</p> <ul style="list-style-type: none"> • The above guidelines outline the methodology for preparation of inventory; identification of hazardous and other waste generating facilities; collection and interpretation of data; criteria for selection of units for random verification of hazardous and other waste generation and their management; etc. • With regard to Annual Inventory for 2018-19: <ul style="list-style-type: none"> ✓ Out of 35 SPCBs/PCCs, 33 SPCBs/PCCs (except Arunachal Pradesh and DDD&NH) submitted the inventory report. ✓ Various gaps (such as mismatch in hazardous waste generated/ managed/ received/sent/no. of recyclers/utilizers, authorized capacity and quantity recycled/utilized) have been identified by CPCB in the said annual inventory of SPCBs/PCCs and same were communicated to respective SPCBs/PCCs. ✓ Of 33, only 25 SPCBs/PCCs have submitted the revised annual inventory report, however, few gaps have still not been clarified ✓ Based on the information provided by 33 SPCBs/PCCs, CPCB has prepared National Inventory Report on Hazardous and Other Waste Generation and its Management (2018-19). <p>Findings of National inventory on Generation and Management of Hazardous waste is appended as Appendix A and State-wise inventory report on generation and management of hazardous and other wastes is appended at Annexure- 2 of CPCB report -June, 2020.</p>
--	---	--

		<p>✓ CPCB is in the process of verification (random test checks) of annual inventory submitted by SPCBs/PCCs through government institutes/organisations</p>
ii.	<p>Since it has been reported that State Boards/PCCs of Dadra & Nagar Haveli, Haryana, Daman & Diu, Manipur, Lakshadweep and Nagaland have not furnished the relevant data, the said States/UTs may furnish the data within one month to the CPCB, failing which they will be liable to pay a sum of Rs, 1 lakh per month with effect from 01.10.2019.</p>	<p>➤ Except Lakshadweep, all the 04 SPCBs/PCCs (Haryana, Manipur, Nagaland and DDN&NH) submitted their reports within the timeline.</p> <p>➤ However, in view of no response from Lakshadweep, CPCB vide its letter dated 04/10/2019 followed by reminder letter dated 19/12/2019 directed for submission of report and deposition of penalty of Rs. 03 lakhs (i.e. Rs 01 lakh per month w.e.f. 01/10/2019).</p> <p>➤ Lakshadweep vide its letter dated 25/12/2019 submitted its report along with penalty of Rs. 03 lakhs to CPCB.</p>
iii.	<p>As already directed, all the States which have not set up TSDF may do so and the States which fail to set up the same up to 31.03.2020, will be liable to pay environmental compensation of Rs. 10 lakhs per month. However, with regard to States which may be categorized as small States, having regard to the quantum and nature of generation of hazardous waste, the liability to pay compensation will start from 01.01.2021. The categorization based on threshold limit of generation of hazardous waste be made by the CPCB within one month from today and placed on its website.</p>	<p>➤ CPCB has prepared a document on Categorization of States as small states based on Threshold Limit of Generation of Hazardous Waste and placed on the CPCB website The same has also been submitted to Hon'ble NGT on 26/09/2019.</p> <p>“Conclusion/Recommendations of the document:</p> <p>➤ The development of common TSDF is a must for treatment and disposal of atleast for landfillable hazardous waste regardless of where the TSDF is located or going to be located;</p> <p>➤ States/UTs generating 5000 MTA or more of the landfillable hazardous waste need to take immediate action for commissioning of common TSDF</p> <p>➤ States/UTs generating more than 500 MTA or less than 5000 MTA of landfillable hazardous waste may be categorized as Small States for the purpose of taking of action proposed in the order of</p>

	<p>the Hon'ble NGT and</p> <p>➤ States/UT generating less than 500 MTA of land fillable hazardous waste may be permitted for the inter-state transport of hazardous waste for its treatment and disposal and making sharing arrangement with the authorized common TSDF of the neighboring States/UT.”</p> <p>The aforesaid document is appended at Annexure- 3 of CPCB report -June, 2020.</p> <p>➤ On the basis of aforesaid categorization, of the 17 States/UTs (not having Common TSDF), Chhattisgarh and Assam to setup TSDF by 31/03/2020 and Delhi & Goa by 01/01/2021.</p> <p>➤ Assam and Chhattisgarh, both the States have identified the land. Further, Assam has to finalize Expression of Interest for inviting bids and Chhattisgarh to finalize the Bidder for award of work w.r.t setting up of TSDF.</p> <p>Status on Setting up of TSDF is appended at Appendix B and details provided in Chapter 2 of the CPCB report- June 2020.</p>
iv-viii	<p>Status of compliance on Contaminated sites is given below: (details may refer at page 225 at Chapter-8 of status report of CPCB)</p>

Hon'ble NGT orders dated 26.08.2019 pertains to "Contaminated Sites" as reproduced below:

"..... iv. **126 sites** which have already been identified as contaminated may be cleared of the hazardous waste within six months so that remediation process may start. The remediation work may start at the **55 sites** for which DPRs have been completed within the timelines specified in the DPRs. For the **remaining 71 sites**, DPRs may be completed expeditiously but not later than one year and thereafter remediation may be done as per the timelines in the DPRs.

v. Failure to remove the waste from the **126 identified sites** will result in environmental compensation to be paid at the **rate of Rs. 10 lakhs per site from 01.04.2020 by the concerned SPCBs/PCCs to the CPCB.**

Same rate will apply in respect of such of the 195 sites as are identified as contaminated with effect from 01.01.2021.

vi. With regard to **195 probable contaminated sites**, the **assessment may be completed within six months** and thereafter the waste may be removed within next six months from sites cleared by the CPCB to be contaminated.

vii. The clearance of site by way of disposal or transfer should be strictly as per the HOWM Rules, to be monitored by the CPCB. The cost of removal of waste may be first paid out of the environment funds/consent funds available with the State PCBs/PCCs and thereafter recovered from the persons concerned.....”

In compliance to order of Hon’ble NGT dated 26.08.2019, actions initiated by CPCB:

(i)	CPCB communicated aforesaid order of Hon’ble NGT to 21 SPCBs/PCCs for taking necessary action and submission of Action taken reports on ‘Assessment of Contaminated Sites’	letter dated 06.09.2019
(ii)	CPCB reminder along Guidance document on “Assessment and remediation of contaminated sites” issued by MoEF&CC was communicated to 21 SPCBs/PCC	03 letters and 06 e-mails
(iii)	To review the compliance to aforesaid directions of Hon’ble NGT, interactive meeting was organized with the officials of SPCBs/PCCs at CPCB Delhi	3rd - 4th February, 2020

In response to CPCB letters and email communications, **19 out of 21 SPCBs/PCC** have submitted their information/Status Report on Action Taken/Initiated for “Assessment of contaminated sites” till 22.06.2020. However, no information received from **Chhattisgarh & Rajasthan SPCBs**.

State wise Compliance status on Action taken/initiated by SPCBs/PCCs is given at **Section-C & D of Chapter 8** (pls refer **page 228** of status report of CPCB).

Overall summary of contaminated sites in India

S. No.	Name of the States/UT	Total sites submitted before NGT in 2019	No. of active sites* till date	126 Contaminated Sites list submitted before Hon’ble NGT	
				55 sites (DPRs/ Remediation completed/on-going)	71 sites (DPR required)
1.	Andhra Pradesh (AP)	3	3*	1**	
2.	Assam (AS)	4	4		1
3.	Delhi (DL)	26	26		4
4.	Goa (GA)	2	2		1
5.	Gujarat (GJ)	23	23*	1***	7
6.	Haryana (HR)	17	17		3
7.	Himachal Pradesh	6	6		1
8.	Jharkhand (JH)	14	14		2

9.	Karnataka (KA)	25	25		5
10.	Kerala (KL)	13	10	4 (1## & 1###)	2
11.	Madhya Pradesh (MP)	20	20*	4 (1###)	2
12.	Maharashtra (MH)	5	6*	1***	1
13.	Odisha (OD)	31	32*	4(3##)	18
14.	Punjab (PB)	9	9		6
15.	Tamil Nadu (TN)	14	11	3 (2***)	3
16.	Telangana (TS)	9	9	1	1
17.	Uttar Pradesh (UP)	40	42*	8 (2*** & 2##)	10
18.	Uttarakhand (UK)	9	9		1
19.	West Bengal (WB)	35	7	27 (1**, 1## & 25###)	
20.	Chhattisgarh (CH)	5	5		2
21.	Rajasthan (RJ)	11	11	1	1
	Total	321	291	55	71
Note:					
(a) Contaminated sites – 126 (55+71) sites					Till June, 2020 Total sites: 291 sites (PCS-175 and CS-116)
(b) Probable sites – 195 sites					
(c) New sites* - 7 sites (AP-1, GJ-1, MH-1, MP-1, OD-1, UP-2)					
(d) De-listed – 37 sites (AP-1, KL-3, GJ-1, MP-1, TN-3, WB-28)					

A. Summary of 55 sites:

** Remediation completed	2 sites: AP-1# & WB-1#
*** Remediation on-going	6 sites: GJ-1, MH-1, TN-2 & UP-2
## Remediation about to initiate	7 sites: KL-1, OD-3, UP-2 & WB-1
### Remediation not required	27 KL-1# , MP-1# & WB-25#
Assessment completed	1 site: RJ-1
DPR about to complete	3 sites: MP-3
Remediation work couldn't initiated due to court	1 site: TS-1
DPR prepared, remediation not yet initiated	8 sites: KL-2, OD-1, TN-1 & UP-4
(# de-listed site)	

Further, HW still lying at the sites (as per detailed investigation report/DPR prepared) **8 sites:** KL-1, MP-1, OD-4, TN-1 & UP-1

Wherein proposal for lifting and disposal of HW through TSDF/SLF by State/SPCBs/Responsible Party **5 sites:** MP-1, OD-3 & UP-1

B. Summary of 71 sites:

Preliminary Assessment done (# de-listed site)	41 sites: AS-1, GJ-7, HR-3, HP-1, KL-2 (1#), MP-2, OD-17, PB-3, TN-2 & UP-3
Preliminary Assessment on-going	1 site: JH-1
Only site inspection carried out, however sampling not done	15 sites: KA-5, MH-1, OD-1, TN-1 & UP-7
Remedial action initiated	1 site: JH-1
Remedial action proposed	1 site: TS-1

Information not received from SPCBs/PCC	12 sites: CH-2, DL-4, GA-1, PB-3 RJ-1 & UK-
---	--

Further as per preliminary assessment report, HW lifted/removed **2 sites:** GJ-01 & UP-1

HW not observed **11 sites:** HP-1, KA-1, TN-2 & UP-3

C. Summary of 195 Probable sites:

Preliminary Assessment done	95 sites: AP-1, AS-3, DL-9, GA-1, GJ-15, HR-14, HP-5, JH-3, KA-1, KL-4(1*), MP-14, OD-6, PB-1, TN-5 (3*), UP-8 & UK-5
Preliminary Assessment on-going	8 sites: JH-8
Only site inspection carried out, however sampling not done	66 sites: AP-1, DL-13, JH-1, KA-18, KL-3, TN-3, TS-7, UP-12 & WB-8 (2*)
Preliminary Assessment about to start	3 sites: MH-3
Remediation on-going	1 site: KA-1
Sampling not carried out as GPS location was not matched with the site	4 sites: OD-3 & UK-1
Information not received from SPCBs/PCC	18 sites: CH-3, PB-2, RJ-9, UP-2 & UK-2

Further as per preliminary assessment report, HW lifted/removed from the sites **4 sites:** DL-1, GA-1, GJ-1* & UP-1

HW not observed **33 sites:** HR-8, HP-5, TN-1, TS-5 & UP-15

D. Status of 07 new sites (AP-1, GJ-1, MP-1, MH-1, OD-1 & UP-2):

Preliminary Assessment done by CPCB	1 site: UP-1
Assessment on-going	3 sites: AP-1, MP-1 & OD-1
Only site inspection carried out, & HW lifted/ removed from the sites; however, sampling not done	2 sites: MH-1 & UP-1
No information from SPCB	1 site: GJ-1

Observations:-

Action taken reports submitted by the SPCBs/PCC are examined by CPCB and following observations are made as below:

i. SPCBs/PCC have carried out only few sampling of limited matrices for most of the sites. Therefore, conclusion may not be drawn whether the site is contaminated or not, even if the concentrations levels reported within the standards/levels.

ii. Few SPCBs/PCC have carried out only site inspection. However, no sampling was done.

iii. Majority of the SPCBs/PCC, except AP, Assam, Gujarat, Haryana, HP, Kerala, MP & Odisha have not submitted proper inspection reports along with analysis results and site visit photographs for most of the sites.

iv. Few sites were found at/nearby Temples, residential colonies and where construction of flyover activities were already done, etc.

v. None of the states/UT, except Odisha has constituted Empowered Monitoring Committee (EMP) for monitoring of Remediation Plans.

Recommendations

S. No.	Activity	Target
i.	In case of Probable contaminated sites, SPCBs/PCC shall carry out. Preliminary site investigation as per "Reference document on Identification, Inspection and Assessment of Contaminated Sites" prepared by CPCB. Site investigation report as per prescribed format may be submitted to CPCB for further assessment.	45 days
ii.	In case of contaminated sites, SPCBs/PCC shall carry out detailed site investigation, as per "Reference document on Identification, Inspection and Assessment of Contaminated Sites" prepared by CPCB and "Guidance document on Assessment and Remediation of contaminated sites in India" issued by MoEF&CC. Detailed investigation report may be submitted to CPCB.	3 months
	If Remediation needed, SPCBs/PCC may take necessary and submit remediation plan to CPCB for further course of action.	Within 45 days (after completion of investigation study)
iii.	SPCBs shall ensure lifting of hazardous waste still accumulated at sites, wherein DPRs already prepared under NCEF Project.	3 months
iv.	SPCBs/PCCs to ensure that the hazardous waste accumulated/lying at all such identified sites/any new sites shall be disposed off either through TSDF or on-site SLF on priority to stop further contamination. Wherein, HW is lifted/removed from the site, SPCB/PCC shall carryout detailed investigation followed by remediation, if needed (as above ii)	3 months
v.	SPCBs/PCCs to ensure that the hazardous waste accumulated/lying at all such identified sites/any new sites shall be disposed off either through TSDF or on-site SLF on priority to stop further contamination. Wherein, HW is lifted/removed from the site, SPCB/PCC shall carryout detailed investigation	1 month

	<i>followed by remediation, if needed (as above ii)</i>	
vi.	<i>Financial supports for execution of project on remediation of the contaminated sites may be arranged to SPCBs/PCC so that the detailed investigation studies followed by remediation works can be undertaken on priority - By State/Central Govts.</i>	4 months

Note: Preliminary sites investigation/detailed investigation followed by Remediation may be carried out – By SPCBs/PCC by engaging reputed Remediation Consultants.

Way Forward:

- i) Need of National Policy on Management of contaminated sites.
- ii) Need to update Inventory of contaminated sites.
- iii) Immediate remedial actions for priority contaminated sites.
- iv) Remediation of orphan sites through funding from State/Central Govts.

v) Compliance status on Recommendations of the Monitoring Committee related to Contaminated sites are as below:

S. No.	Recommendations of the Committee	Compliance status
1.	Disposal of hazardous wastes accumulated at identified sites:	
	<p>(i) CPCB/SPCBs/PCCs to ensure that the hazardous waste accumulated at all such identified sites shall be disposed of either through Treatment, Storage and Disposal</p> <p>Facilities (TSDFs) or onsite secured landfilling (SLF) on priority to stop further contamination</p> <p>(CPCB/ SPCBs/PCCs: 06 months)</p>	Detailed information is given at Section-C & D of Chapter 8 (page 228 to 308) for kind reference.
2.	Guidelines for Identification and Assessment of Contaminated Sites:	
	<p>(i) For a consistent and uniform application and approach across the country, guidelines for identification and assessment of contaminated sites shall be published.</p> <p>(CPCB: 03 months)</p>	Guidance document on Assessment and remediation of Contaminated Sites in India issued by MoEF&CC, communicated to 21 SPCBs/PCC. Based on this guidance document, a “Reference document on identification inspection and assessment of contaminated sites in India” has been prepared by CPCB is given at Annexure-XIII (page 421) for kind reference.
3.	Assessment and remediation of Contaminated sites:	

	<p>(i) Capacity building program for officials of SPCBs/PCCs on the entire process of remediation,</p> <p>(CPCB: 06 months)</p> <p>(ii) Assessment of about 195 probable contaminated sites and any new additional sites recommended by CPCB/ SPCBs/PCCs shall be completed within period of 1 year after publication of such guidance document by CPCB.</p>	<p>(i) MoEF&CC sponsored “Five – Day International Seminar/workshop on Contaminated Sites; and Demonstration Sessions / Workshop on Environmental Subsurfa Investigations” was organized by IIT Delhi during 17-21 February, 2020 for the officials of MoEF&CC/CPCB/SPCBs, Academic, etc. is given at Annexure-XIV (page 458) for kind reference. CPCB has proposed a 3 separate training programs on identification and assessment of contaminated</p>
	<p>Recommendations of the Committee</p>	<p>Compliance status</p>
	<p>(CPCB/SPCBs/PCCs: 1 year)</p> <p>(iii) For effective implementation of the remediation plan at State level, Empowered Monitoring Committee chaired by Principal Secretary Department of Environment having representatives from department of Industries, SPCB/PC, Groundwater development agency, etc. shall be constituted.</p> <p>(State Govt: 04 months)</p>	<p>Sites for the officials of SPCBs/PCCs for the financial year 2020-21.</p> <p>(i) Detailed progress on assessment of probable contaminated sites under taken by SPCBs/PCCs is given at Section-C of Chapter 8 for kind reference.</p> <p>(ii) Odisha SPCB has informed vide its letter dated 19.05.2020 that at State level Empowered Monitoring Committee (EMC) has been constituted.</p>

<p>4.</p>	<p>Financial Arrangements for remediation of contaminated sites:</p>	
	<p>(i) Financial arrangements between Central-State Governments for the proposed remediation projects shall be resolved immediately so that the remediation works as proposed in DPRs can be undertaken on priority. These DPRs (2017-18 and 2018-19) may need to be revisited in no action is taken in a reasonable time for execution of remediation works.</p> <p>(ii) Govt. should take up on priority not only remediation projects at the sites where DPRs have been prepared but also the assessment of about 195 sites, besides any new addition of potentially contaminated site, if any.</p> <p>(MoEF&CC/State Govt.: 06 months)</p>	<p>It is humbly submitted that MoEF&CC has sanctioned central share under National Clean Energy Fund (NCEF) scheme of Rs. 15.5 crore for preparation of DPRs for 08 areas contaminated (containing 21 sites) for remediation.</p> <p>Further, it is humbly submitted that there is no funding for execution of remediation works, since NCEF scheme has been discontinued by Govt. of India. The DPRs along with templates of bidding have been forwarded to concerned State Govts and SPCBs with request to implement remediation works.</p>
<p>5.</p>	<p>Networking of Academic and Research Institutes:</p>	

<p><i>(i) MoEF&CC/CPCB/SPCBs/PCCs shall undertake action research and also promote academic courses on this subject in association with academic and research institutions.</i></p> <p>(MoEF&CC/CPCB/SPCBs/PCCs: 06 months)</p>	<p><i>(i) A project sponsored by MoEF&CC at IIT Delhi, a National Network of Experts and Resources for Subsurface Investigations and Remediation of Contaminated Sites (NERCS) has been formed. In this regard, Web page of NERCS is given at Annexure-XV (page 507) for kind reference.</i></p>

21	West Bengal	35 (8+27)	7	6	1	28	27				
Total		321 (195+126)	291*	175	116	37	48	18	8	40	8

Note:* including new 07 sites

ix.	<p>The recommendations of the CPCB with regard to the compensation regime on the subject may be adopted, subject to further consideration of orders.</p>	<p>----</p>
x.	<p>The CPCB may oversee the compliance of these directions compile data from all quarters (i.e. recommendations of Monitoring Committee) and furnish an interim compliance report...</p>	<p>In compliance of the aforesaid orders, CPCB has submitted “Status Report on Compliance of Recommendations of the Monitoring Committee on Management of Hazardous Waste and Directions of the Hon’ble Tribunal” on 24/06/2020. dated 30/01/2019 incase of Spent solvent recovery units on the basis of responses received from units on the basis of responses received from SPCBs/PCCs, the status is given at Appendix C and details provided in Chapter 4 of CPCB report- June 2020.</p> <p>Compliance of Recommendations in Interim Report:-</p> <p>> CPCB formulated a format (incorporating key indicators) and forwarded the same to all SPCBs/PCCs for submission of quarterly implementation status on the recommendations made by Monitoring Committee in its interim report.</p> <p>> Further, CPCB continuously followed up with the SPCBs/PCCs for submission of the quarterly information. On the basis of the information Submitted by SPCBs/PCCs, CPCB has compiled quarterly compliance status and submitted the same before Hon’ble NGT on 24/06/2020. The overall status is appended at Appendix D and details are provided in Chapter 5 of CPCB report- June 2020.</p> <p>Compliance of Recommendations in Final Report:</p> <p>> CPCB conducted two interactive meetings with various organizations viz., CBIC, DGFT, DG(S), SPCBs/PCCs, MoEF&CC, followed by field visits to two Ports & one Waste Oil Recycler in Maharashtra, besides forwarding questionnaire to the concerned organizations/departments for ensuring compliance with rigorous follow ups.</p>

	<p>> With regard to recommendations related to impact of hazardous wastes on workers' health and waste reception facility to deal with ship generated wastes progressive steps have been taken by the concerned organizations (viz., Ministry of Shipping Ministry of Environment, Forest and ClimateChangean Ministry of Labour) to ensure compliance. Whereas, recommendations pertaining to SPCBs/PCCs, Port Authorities and Department of Labour of States/UT Government needs to addressed on a continuous basis.</p> <p>With regard to import/export of hazardous wastes, further actions are required to be taken by Central Board of Indirect Taxes and Customs (CBIC), Directorate General of Foreign Trade (DGFT) and Port Authorities with review by Ministry of Environment, Forest and Climate Change on a regular basis to ensure compliance of the Hon'ble NGT dated 26.08.2019.</p> <p>>CPCB has constituted a National Expert Committee to devise National Hazardous Waste Management Policy covering the aspects related to strengthening of institutional framework of regulatory agencies and Research & Development initiatives including Clean Technology besides hazardous waste management issues.</p> <p>>On the basis of the information submitted by the concerned organizations, CPCB has prepared compliance status report and submitted the same before Hon'ble NGT on 24.06.2020. The overall compliance status of various organizations is appended at Appendix E and details are provided in Chapter 6 of CPCB report- June 2020.</p> <p>The way forward and recommendations based on the compliance status submitted by concerned stakeholders, have been given in Appendix F and also given in Chapter 7 of CPCB report-June, 2020.</p>
--	--

13. *Shri Panjwani has referred to certain parts of the report to show that timelines for remediation have not been given, information of land fill sites is not complete, ground water and soil testing have not been done and that there are huge gaps in compliance of the Rules but no adequate action has been taken against the violations in the form of recovery and compensation or otherwise. He pointed out that, vide order dated 26.08.2019, this Tribunal had directed that States which do not set up TSDF by 31.03.2020 will be liable to pay compensation @ Rs. 10 lakh per month and in view of failure of*

the States of Assam and Chhattisgarh or any other State, CPCB may recover such compensation. He further submitted that the State PCB should carryout inspection and conduct chemical analysis tests on all parameter of soil, surface, ground water, sedimentation etc. of the contaminated sites and submit said reports within 4 weeks to the CPCB, failing which they should be liable to pay compensation. PCBs may also provide information about the quantum of waste removed from 126 contaminated sites and the cost incurred which may be recovered from the generators of such waste. PCBs may also provide information about DPRs for 71 confirmed contaminated sites. Compensation may also be recovered from the States who failed to clear the hazardous waste sites in terms of directions of this Tribunal. Further submission is that CPCB and PCBs/PCCs may invoke their powers under the Rules to recover compensation for improper handling and management of waste, prosecute defaulters, document non-compliances and update their websites giving (a) details of industries, (b) date of inspection including collection of effluent or other samples, (c) whether unit is compliant or not, (d) if non-compliant then action taken including the date of notice if any sent to defaulter. CPCB may develop framework for enforcement of the Rules. Let these aspects be looked into by CPCB and response included in next report.

14. *We direct CPCB to take further steps for compliance by issuing appropriate directions and also to enforce its directions for recovery of compensation for the continuing damage to the environment on 'Polluter Pays' principle. CPCB and PCBs/PCCs may not permit any new industry having potential to generate hazardous waste till facilities for disposal of such waste are ensured. Apart from this, following specific directions may be complied with:*

- i. CPCB may set up a system to cross verify the status of hazardous waste generating industries (at least 10% in each State) and also direct SPCBs/PCCs to impose environmental compensation against delinquent industries.*
- ii. Regarding remediation of contaminated sites, immediately 5 sites should be taken for remediation and executed within a period of six months. Environmental damages caused by such sites and loss in terms of monetary resources may also be estimated.*

15. *We direct all the States/UTs and PCBs/PCCs to comply with observations and recommendations in the report and furnish their compliance reports by 31.10.2020 to the CPCB. The Chief Secretaries of the States at the State level and the Ministry of Environment, Forest and Climate Change (MoEF&CC) and the CPCB at the national level may monitor compliance. At the national level, coordination with Central Ministries may be involved which MoEF&CC may look into followed up by the CPCB. Further action taken report in the matter be furnished by CPCB after four months by 30.11.2020 by e-mail at judicial-ngt@gov.in preferably in the form of searchable PDF/ OCR Support PDF and not in the form of Image PDF."*

10. Accordingly, further report dated 27.01.2021 has been filed by the CPCB mentioning the action taken in compliance of order of this Tribunal dated 07.07.2020 as follows:-

“

1. ACTION TAKEN ON COMPLIANCE OF THE DIRECTIONS DATED 07/07/2020 OF THE HON'BLE TRIBUNAL

The details on the action taken, status on compliance vis-a-vis directions issued by the Hon'ble Tribunal is as below:

- **Direction in Para 13** “...vide order dated 26.08.2019, this Tribunal had directed that States which do not set up TSDF by 31.03.2020 will be liable to pay compensation @ Rs. 10 lakh per month and in view of failure of the States of Assam and Chhattisgarh or any other State, CPCB may recover such compensation...”

Action Taken/ Status: *In compliance of the aforesaid direction, CPCB vide its letter dated 06/08/2020 directed SPCBs of Assam and Chhattisgarh to deposit compensation and provide status of setting up of TSDF. However, Chhattisgarh Environment Conservation Board vide its letter dated 28/08/2020 has apprised that as per Rule 16(1) of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016, the State Government, occupier, operator of a facility or any association of occupiers shall individually or jointly or severally is responsible for identification of sites for establishing the facility for treatment, storage and disposal of the hazardous and other waste in the State. Thus, CPCB vide its letter dated 09/09/2020 requested the Chief Secretaries of the above states to direct the concerned department (responsible for setting up of TSDF in their State) for deposition of compensation.*

*In response, Environment and Forest Department, Government of Assam vide its letter dated 30/09/2020 requested CPCB to move application before Hon'ble NGT to condone the compensation, reporting that the delay in setting up was caused by CAB agitation followed by COVID-19 pandemic. In this regard, CPCB vide its letter dated 23/11/2020 requested the Environment and Forest Department to directly approach Hon'ble NGT for any relief in the matter. Whereas, in view of no response from State of Chhattisgarh, reminder letter to Chief Secretary of Chhattisgarh was issued on 23/11/2020. Details of the communication made and responses received are appended as **Annexure II**.*

Direction in para 13 “...the State PCB should carryout inspection and conduct chemical analysis tests on all parameter of soil, surface, ground water, sedimentation etc. of the contaminated sites and submit said reports within 4 weeks to the CPCB, failing which they should be liable to pay compensation. PCBs may also provide information about the quantum of waste removed from 126 contaminated sites and the cost incurred which may be recovered from the generators of such waste. PCBs may also provide information about DPRs for 71 confirmed contaminated sites. Compensation may also be recovered from the States who failed to clear the hazardous waste sites in terms of directions of this tribunal...”

Action Taken/ Status:

The status on the above direction is provided at Section 4 of this report.

- **Direction in Para 13** “...CPCB and PCBs/PCCs may invoke their powers under the Rules to recover compensation for improper handling and management of waste, prosecute defaulters, document non-compliances and update their websites giving (a) details of industries, (b) date of inspection including collection of effluent or other samples, (c) whether unit is compliant or not, (d) if non-compliant then action taken including the date of notice if any sent to defaulter. CPCB may develop framework for enforcement of the Rules. Let these aspects be looked into by CPCB and response included in next report...”

Action Taken/ Status:

In this regard, CPCB has prepared “Enforcement Framework for Effective Implementation of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016” in July 2019. The said framework includes various enforcement tools, tracking of non-compliances, categorization of non-compliances and approach for application of the said enforcement tools in cases of non-compliances of the HOWM Rules, 2016. The said framework is available on CPCB at https://cpcb.nic.in/uploads/hwmd/Guidelines_HW_1.pdf. The same has also been circulated to all SPCBs/ PCCs vide letter dated 18/07/2019. Subsequent to the above directions dated 07/07/2020, CPCB vide its letter dated 27/08/2020 again communicated the aforesaid framework to all SPCBs/PCCs.

The details on all the enforcement action taken by CPCB alongwith details of the industry and action initiated as directed above, is available on CPCB website and the same is updated on regular basis.

Further, based on the responses received from 34 SPCBs/PCCs the status on powers invoked on the non-compliance by SPCBs is given as below:

S.No	States/UTs	No. of defaulting units	No. of habitual defaulters	No. of units against which action has been generated				
				Rule 23(1) enforced	Rule 23(2) enforced	Refusal/Revocation	Prosecution under E(P)A, 1986	FIR Lodged

* Compliance status not provided as per prescribed format.

\$ The Board issued closure orders to the 14 units for causing air and water pollution under Water

and Air Act and not exclusively for violation of Hazardous Waste Rules.

Notices issued to all 30 units and closure issued to 03 units

^ 03 units were directed to apply for Authorization and 04 units were directed to apply for consent

➤ **Direction in Para 14** "...We direct CPCB to take further steps for compliance by issuing appropriate directions and also to enforce its directions for recovery of compensation for the continuing damage to the environment on 'Polluter Pays' principle. CPCB and PCBs/PCCs may not permit any new industry having potential to generate hazardous waste till facilities for disposal of such waste are ensured..."

Action Taken/ Status:

CPCB has been continuously following up with the implementing agencies to ensure compliance. CPCB also issues directions and imposes compensation on 'Polluter Pays' principle for violations of provisions of HOWM Rules and environmental damages noticed as and when required. As per Rule 6 of the HOWM Rules, 2016, SPCB/PCC is the prescribed authority to grant authorization for generation, handling, storage, treatment, utilisation, disposal, etc. of hazardous and other waste, therefore, CPCB vide its letter dated 27/08/2020 directed all the 17 SPCBs/PCCs (which are not having facility/arrangement for disposal of Hazardous waste) not to grant permit to any new hazardous waste generating unit till the facility for disposal of such waste is ensured and revoke the permission granted to any new unit after 08/07/2020, if any.

- **Direction in Para 14** "...CPCB may set up a system to cross verify the status of hazardous waste generating industries (at least 10% in each State) and also direct SPCBs/PCCs to impose environmental compensation against delinquent industries..."

Action Taken/ Status:

As directed, CPCB has developed Mechanism to cross verify the status of hazardous waste generating/handling industries in consultation with SPCBs/PCCs.

"The criterion for selection of units as laid down in the said monitoring mechanism is as below:

A) SPCBs/PCCs

S.No	Number of Units in State/UT	Criteria
1.	Less than 25	100%
2.	26-50	50% or atleast 20 units, whichever is more
3.	51 onwards	10% or atleast 30 units, whichever is more

B) CPCB

S.No	Number of Units in State/UT*	Criteria
1.	Less than 1000	10% or atleast 50 units, whichever is more
2.	1001-3000	5 %
3.	3001-5000	2.5 %
4.	5001- 8000	1.25 %
5.	8001-10000	1 %
6.	10001 onwards	0.75 %

Note: * Represents total number of units falling in the jurisdiction of Regional Directorates of CPCB to be verified in a year (including few units already verified by the SPCBs/PCCs).

The selection of the units for cross verification should be in such a manner that the units identified for the purpose covers sectors contributing to major hazardous or other waste generation or handling. Further, it may also include recyclers; utilisers; pre-processor; co-processors; collection facilities and disposal facilities covering large, medium and small-scale industries."

The said mechanism alongwith methodology/approach to be adopted and format for reporting was circulated to all SPCBs/PCCs vide letter dated 15/10/2020 to adopt the said mechanism with effect from next financial year i.e. April, 2021 onwards and submit half-yearly status report on verification of the industries in the prescribed format specified therein. It was also directed to impose environmental compensation (EC) on defaulting units found during the cross verification. The copy of the said "Mechanism to cross verify the status of hazardous waste generating/handling industries" is enclosed at **Annexure-III**.

- **Direction in Para 15** "... all the States/UTs and PCBs/PCCs to comply with observations and recommendations in the report and furnish their compliance reports by 31.10.2020 to the CPCB. The Chief Secretaries of the States at the State level and the Ministry of Environment, Forest and Climate Change (MoEF&CC) and the CPCB at the national level may monitor compliance. At the national level, coordination with Central Ministries may be involved which MoEF&CC may look into followed up by the CPCB. Further action taken report in the matter be furnished by CPCB after four months by 30.11.2020...."

Action Taken/ Status:

In accordance with the orders of the Hon'ble Tribunal, CPCB vide letter dated 20/07/2020 forwarded the orders dated (uploaded) 07/07/2020 of the Hon'ble Tribunal to all Chief Secretary and SPCBs/PCCs for taking necessary action and submit the compliance status to CPCB in the specified format within the prescribed timeline.

State-specific format has been prepared by CPCB for submission of compliance status on the recommendations made in the Interim and Final report of the Monitoring Committee (excluding recommendations pertaining to contaminated site).

Reminder letter dated 28/10/2020 was also issued to 25 SPCBs/PCCs namely A&N Inland, Arunachal Pradesh, Assam, Bihar, Chandigarh, Delhi, DDD&NH, Goa, Haryana, Jammu & Kashmir, Jharkhand, Karnataka, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Nagaland, Punjab, Puducherry, Rajasthan, Tamil Nadu, Telangana, Uttar Pradesh, Uttarakhand and West Bengal (who have not submitted compliance status report to CPCB).

CPCB vide its letter dated 15/07/2020 also communicated the orders of the Hon'ble Tribunal to the Ministry of Environment, Forest and Climate Change (MoEF&CC) followed by reminder on 25/11/2020 to ensure compliance in the matter. Also, vide letter dated 06/08/2020 and reminder letter dated 09/11/2020 various implementing Ministries/agencies i.e. Ministry of Shipping, Ministry of Commerce (CBIC), Ministry of Labour and Directorate General of Foreign Trade (DGFT) were requested to comply with directions of the Hon'ble Tribunal and submit compliance status.

In this regard, the status on the responses received from State/UT government; SPCB/PCC; MoEF&CC, Ministry of Shipping, CBIC, Ministry of Labour and DGFT is tabulated as below:

S. No.	Name of State/Agency	State/UT Government	SPCB/PCC
1	Andaman & Nicobar Island	x	✓

In this regard, Government of Punjab, West Bengal and SPCBs/PPCs of 15 States/UTs namely Andaman & Nicobar Islands, Chandigarh, Haryana, Jammu & Kashmir, Karnataka, Lakshadweep, Maharashtra, Meghalaya,

Odisha, Puducherry, Punjab, Telangana, Tripura, Uttar Pradesh and Uttarakhand have informed that the State level Monitoring/Advisory Committee has been constituted to oversee the implementation of the Hazardous & Other waste (Management and Transboundary Movement) Rules, 2016 alongwith recommendation of the Monitoring Committee. Further, Gujarat PCB has informed that Chief Secretary is regularly taking meeting in the matter of O.A No. 606/2018 wherein O.A no. 804/2017 is also a part and Madhya Pradesh PCB has also informed that the proposal has been submitted for constitution of committee.

The detail status on the compliance to the recommendations made in the Status report of CPCB (as submitted in June 2020) and in accordance with the orders (uploaded) dated 07/07/2020 of the Hon'ble Tribunal is deliberated in Section 3 and Section 4 respectively of this report.

3. STATUS ON COMPLIANCE OF OBSERVATIONS AND RECOMMENDATIONS IN THE CPCB REPORT VIS-À-VIS ORDERS DATED 07/07/2020 OF THE HON'BLE TRIBUNAL (EXCEPT PERTAINING TO CONTAMINATED SITES)

CPCB in its Status report submitted in June, 2020 (in compliance to the directions dated 26/ 08/ 2019 of the Hon'ble Tribunal) made various recommendations based on the compliance report submitted by various Ministries/ State Govt/ SPCBs/PCCs on the action points given in the Interim and Final Report of the Monitoring Committee vis-à-vis orders of the Hon'ble Tribunal in the said matter.

The Hon'ble Tribunal vide orders (uploaded) dated 07/07/2020 accepted the recommendations made in CPCB report (June 2020) and directed to comply with the observations and recommendations made therein. The status on compliance of the recommendations vis- a- vis orders dated 07/07/2020 of the Hon'ble Tribunal on the action points mentioned in the Interim and Final Report is deliberated in subsections 3.1 and 3.2 as below:

3.1 Compliance Status, Observations and Recommendations on the action points covered in the Interim Report of the Monitoring Committee vis- a- vis orders dated 12/04/2019 of the Hon'ble Tribunal

So far 34 State/UT Government/SPCBs/PCCs namely Andaman & Nicobar Islands, Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Chandigarh, Delhi, Gujarat, Goa, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Lakshadweep, Maharashtra, Madhya Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Puducherry, Punjab, Rajasthan, Odisha, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand and West Bengal have submitted status on the compliance to the recommendation and directions of the Hon'ble Tribunal for the period i.e. April-September, 2020. However, the information provided by Bihar, Nagaland and Uttarakhand SPCBs is not as per the prescribed format. Status on the submission of compliance report is as given below:

S. No.	States submitted compliance status	States not submitted compliance status
1.	<i>Andaman & Nicobar Islands</i>	<i>DD&DNH</i>
2.	<i>Andhra Pradesh</i>	
3.	<i>Arunachal Pradesh</i>	
4.	<i>Assam</i>	
5.	<i>Bihar*</i>	
6.	<i>Chhattisgarh</i>	
7.	<i>Chandigarh</i>	
8.	<i>Delhi</i>	
9.	<i>Goa</i>	
10	<i>Gujarat</i>	
11	<i>Haryana</i>	
12	<i>Himachal Pradesh</i>	
13	<i>Jammu & Kashmir</i>	
14	<i>Jharkhand</i>

** The information provided by Bihar, Nagaland and Uttarakhand SPCBs is not as per the prescribed format/does not includes the status on all the action points.”*

11. The status of compliance by different States/UTs has been compiled in the report which is appended to this order as **Appendix-I**. The status of compliance by the CPCB in response to the recommendations of the Monitoring Committee dated 23.07.2019. The report mentions the response to 28 observations in the Monitoring Committee report contained in Appendix-A to the order dated

07.07.2020, which part of the report is appended to this order as

Appendix-II.

12. The action taken report on contaminated sites has also been appended to the CPCB report with the observations and recommendations which are reproduced below:-

“4.0 Action Taken Report on contaminated sites in compliance of the Hon’ble National Green Tribunal, Principal Bench, New Delhi order dated 01.07.2020 in the matter of O. A. No. 804/2017: Rajiv Narayan & Anr. Vs Union of India & Ors.

4.1 Background

The Hon’ble National Green Tribunal, Principal Bench, New Delhi, in the matter of O. A. No. 804/2017: Rajiv Narayan & Anr. Vs Union of India & Ors has passed the following directions regarding contaminated sites vide its orders dated 01.07.2020, reproduced the same as below:

“...14. We direct CPCB to take further steps for compliance by issuing appropriate directions and also to enforce its directions for recovery of compensation for the continuing damage to the environment on ‘Polluter Pays’ principle.... Apart from this, following specific directions may be complied with:

(ii) Regarding remediation of contaminated sites, immediately 5 sites should be taken for remediation and executed within a period of six months. Environmental damages caused by such sites and loss in terms of monetary resources may also be estimated.

15. We direct all the States/UTs and PCBs/PCCs to comply with observations and recommendations in the report and furnish their compliance reports by 31.10.2020 to the CPCB. The Chief Secretaries of the States at the State level and the Ministry of Environment, Forest and Climate Change (MoEF&CC) and the CPCB at the national level may monitor compliance. At the national level, coordination with Central Ministries may be involved which MoEF&CC may look into followed up by the CPCB. Further action taken report in the matter be furnished by CPCB after four months by 30.11.2020”

*A copy of the Hon’ble NGT order dated 01.07.2020 (uploaded on 07.07.2020) is annexed at **Annexure-I.***

4.2 Status on Assessment and Remediation of Contaminated Sites

(i) Aforesaid directions of Hon’ble NGT, were communicated vide letter dated 22.07.2020, to 21 SPCBs/PCC where the sites were identified, for taking necessary actions and to submit a report on assessment and remediation of contaminated in respective sites.

- (ii) A meeting was held with 21 SPCBs/PCC through VC on 02.09.2020 to review the compliance status. The said meeting was attended by Senior officials of SPCBs/PCC including few Member Secretaries. A copy of the minutes of meeting is annexed at **Annexure-IV**.
- (iii) 18 out of 21 States/UT (except Odisha, West Bengal and Delhi) have submitted compliance status reports along with details of sites inspected, testing of samples, etc. including details of assessment works carried out by them.
- (iv) 3 out of 21 States/UT namely Odisha, West Bengal and Delhi have requested more time for completion of site inspections, assessment and to submit compliance reports, due to on-going pandemic situation. State-wise number of sites as per the status reports submitted by SPCBs is given at **Table-1**.

Table-1: Details of action taken reports submitted by SPCBs/PCC

S. No.	Name of the States/UT	No. of sites	Action taken report submitted	Date of submission
1.	Andhra Pradesh	4	Yes	10.11.2020
2.	Assam	4	Yes	01.12.2020
3.	Chhattisgarh	5	Yes	17.07.2020
4.	Delhi	23	No*	25.01.2021
5.	Goa	2	Yes	10.12.2020
6.	Gujarat	23	Yes	27.10.2020 & 07.11.2020
7.	Haryana	14	Yes	27.11.2020
8.	Himachal Pradesh	4	Yes	19.08.2020
9.	Jharkhand	14	Yes	29.07.2020 & 02.12.2020
10.	Karnataka	25	Yes	02.11.2020
11.	Kerala	9	Yes	29.10.2020
12.	Madhya Pradesh	20	Yes	29.10.2020
13.	Maharashtra	6	Yes	18.11.2020
14.	Odisha	32	No*	03.11.2020
15.	Punjab	9	Yes	01.11.2020
16.	Rajasthan	10	Yes	11.09.2020
17.	Tamil Nadu	11	Yes	28.11.2020
18.	Telangana	9	Yes	24.11.2020
19.	Uttar Pradesh	43	Yes	27.11.2020
20.	Uttarakhand	6	Yes	25.11.2020
21.	West Bengal	7	No*	02.12.2020
	Total	280		

***Note:** Due to Covid-19 pandemic situation, requested for more time to submit compliance report

- (v) States have also indicated that some of the probable sites in the list provided by CPCB are not showing any signs of contamination, hence proposed for de-listing of such sites.
- (vi) As per compliance reports submitted by SPCBs/PCC with supporting documents, such as details of site visits, sampling

activity carried out etc., the list of sites has been revised as below:

- a) Total number of sites identified- 280
- b) Confirmed contaminated sites- 112
- c) Sites which are probable or not investigated yet – 168

(vii) As per status reports, States are in the process of assessing the remaining 168 out of 280 sites, therefore the actual scenario of contaminated sites will remain unknown till completion of the task.

(viii) As per the status reports submitted by SPCBs/PCC, site assessment, DPR preparation and remediation works are in different stages of completion. Accordingly, the status of sites has been compiled based on following criteria:

- a) Probable sites need to be investigated by site inspection and preliminary sampling,
- b) Confirmed sites where hazardous waste is till lying,
- c) Confirmed sites for which DPRs have been prepared by CPCB/MoEF&CC,
- d) Sites where remediation works are initiated or ongoing.

A clear picture on contaminated sites will be known only when SPCBs/PCC gets the sites investigated by responsible parties or investigate the sites by themselves. Revised list of probable and confirmed contaminated sites have been compiled and state-wise revised distribution is given at Table-2.

Table-2: Revised State wise distribution of contaminated sites

S. No.	States/UTs	Status submitted before Hon'ble NGT in June, 2020 Total Sites (PCS +CS)	De-listed sites	Updated status as December,		
				Total Sites ¹	Probable Sites (PCS)	Contaminated Sites (CS)
1	Andhra Pradesh	3 (3+0)		41	4	0
2	Assam	4 (2+2)		4	2	2
3	Chhattisgarh	5 (3+2)		5	3	2
4	Delhi (NCR)	26 (14+12)	3	23	12	11
5	Goa	2 (1+1)		2	1	1
6	Gujarat	23 (15+8)		23	15	8
7	Haryana	17 (13+4)	3	14	10	4
8	Himachal Pradesh	6 (5+1)	2	4	3	1
9	Jharkhand	14 (12+2)		14	12	2
10	Karnataka	25 (19+6)		25	19	6
11	Kerala	10 (6+4)	1	9	5	4
12	Madhya Pradesh	20 (14+6)		20	14	6
13	Maharashtra	6 (3+3)		6	3	3
14	Odisha	32 (9+23)		32	9	23
15	Punjab	9 (3+6)		9	3	6
16	Rajasthan	11 (9+2)	1	10	8	2

18	Telangana	9 (7+2)		9	7	2
19	Uttar Pradesh	42 (17+25)	1	43 ¹	22	21
20	Uttarakhand	9 (8+1)	3	6	5	1
21	West Bengal	7 (6+1)		7	6	1
Total		291 (175+116)	14	280	168	112

Revised list of sites giving details of assessment and actions initiated by SPCBs/PCC is given at **Annexure-V**.

- (ix) State wise details of Action taken/initiated by SPCBs/PCC in compliance to directions of Hon'ble NGT are compiled and given at Annexure-VI.
- (x) Some progress has been observed in 112 confirmed sites in terms of preparation of DPRs, initiation and execution of remediation works. The details of the same are as below:

a. Remediation works have been initiated in 8 sites, in States namely; Gujarat (2), Jharkhand (1), Maharashtra (1), Tamil Nadu (2) and Uttar Pradesh (2). These remediation works have been taken up primarily by the responsible party/industry as per the directions or monitoring of SPCBs. Details of these sites are given at **Table-3**.

b. CPCB/MEF&CC have carried out a project for detailed site assessment and preparation of Detailed Project Reports (DPRs) have been prepared for 20 sites with funding under NCEF/CBIPM Projects. The initiative was to carry out pilot studies to guide future assessment and preparation of DPRs for remediation works. It is expected that these DPRs would form basis for to execute remediation works by Responsible Parties if identified or the State Government in case of orphan sites. Details of the sites for which DPRs have been prepared is given at **Annexure-VII**.

In this context, orphan sites are those sites where polluter is not identified or the polluter is not in a position to bear remediation cost.

c. In remaining identified contaminated sites, the SPCBs/PCC are required to direct the responsible party to carry out detailed investigation and remediate the sites scientifically as per the guidance document provided by CPCB/MoEF&CC. Funds for remediation may be borne by the responsible party. In case of orphan sites, SPCBs may approach State Government for assessment and remediation in larger public interest of protecting health of people living in impact zone.

- (xi) Maharashtra and Andhra Pradesh States have informed that environmental site assessment is in progress at 7 sites. These sites include Uranium Corporation of India, Kadapa, Andhra Pradesh and LG Polymers site in Vishakhapatnam, Andhra Pradesh. 5 Sites in Maharashtra are Mithi River, Industrial areas of

Deonar, Tarapur and Nashik. Details of sites is given at Annexure-VIII.

- (xii) With regard to directions of Hon'ble NGT that 5 sites should be remediated within a period of 6 months, remediation works have been initiated in 3 sites in Odisha and 2 sites in UP where tendering process is underway. In addition, one more site in Kerala has also been initiated tendering process. Details of these sites are given at Annexure-IX.
- (xiii) It is observed that remediation works are under progress in 8 sites in 5 states. SPCBs/PCC are required to monitor these sites to check whether remediation works are carried as per DPRs and meet site specific target levels for cleanup. Details of these sites along with observations is given at Table-3.

Table-3: List of 8 sites for which remediation works initiated by Responsible Parties:

S. No.	Name of the Site	Action taken/Initiated by SPCB	Observations
Gujarat (02)			
1.	Effluent Channel Project Limited (ECPL), Baroda Effluent Canal, Vadodara District	i) In groundwater samples Color, Phenolic compound, Sulphate, Chloride & TDS are reported higher than acceptable limit of BIS. Remediation work is undertaken by Dye- manufacturing and Pharmaceutical industries (Responsible Parties). ii)	GPCB may monitor target levels periodically. Responsible party may be directed to submit monthly or quarterly progress reports.
2.	Swastik Organic, Sabar Dairy Road, Piplodi, Gujrat	i) Hazardous waste lying at the site was already lifted and shifted to TSDF. ii) In the downstream at village Boriya Khurad, about 7 to 8 bore wells reported as contaminated with reddish brown coloured water. iii) In this regard, it reported that crops like wheat, cotton & castor are irrigated with this colored water. iv) GW samples collected and reported about 200 Pt Co yellowish color. The responsible party has awarded the remediation work to GITCO.	Subsequent to lifting, soil contamination may still remain at the site. GPCB may carry out GW, SW and sediment sampling. Responsible party may be directed to submit monthly or quarterly progress reports. Status report may be updated GSPCB at website and submit to CPCB.
Jharkhand (01)			

3.	Roro hills, Jharkhand - 833201	Detailed investigation report on "Rehabilitation of Roro abandoned asbestos mines" along with remediation status as per direction of Hon'ble NGT is submitted. It was informed that, remedial action has been taken by Dept. of Mining, Jharkhand.	Jharkhand PCB may monitor progress or remediation works, and status report may be updated from time to time at website and submit to CPCB.
Maharashtra (01)			
4.	M/s Godavari Bio-Refineries, Ahmed Nagar District, Maharashtra	Contaminated groundwater is being remediated by applying Bioremediation technique since September, 2017 and the same is underway.	MPCB should monitor progress status report may be updated at website and submit to CPCB from time to time.
Tamil Nadu (02)			
5.	M/s HUL, Kodaikanal, Tamil Nadu	Trail remediation has been done by M/s HUL. TNPCB had approved Consent to Establish for execution of soil remediation activity. All requisite machineries have already been installed for soil remediation.	TNPCB may monitor remediation works being undertaken by Responsible party. Status report may be updated at SPCB's website and also submit to CPCB.
6.	Tondairpet, Chennai, Tamil Nadu	Remediation work is undertaken by M/s BPCL since 2016.	
Uttar Pradesh (02)			
7.	Industrial Area Meerut Road, Ghaziabad, Uttar Pradesh	Cr(VI) in groundwater is remediated by applying: (i) Pump & Treat (P&T) technique, (ii) Bioremediation technique, Remediation work is underway since 2012.	UPPCB may monitor remediation work undertaken by Responsible Party and upload status report at its website and also submit to CPCB from time to time.
8.	Lohia Nagar C Block, Ghaziabad		

4.3 Observations and Recommendations

1. In compliance to directions of Hon'ble NGT, SPCBs/PCC have reported that 14 sites in 7 States as non-contaminated and 168 sites are yet to be investigated. As per reports, site investigation were carried out with limited sampling in most cases 1 or 2 samples. Conclusion may not be drawn even if concentrations levels are within screening criteria as there may be scope of missing pocket of contaminated matrices in adjoining of areas. Therefore prior to declaring the site as non-contaminated, SPCBs/PCC may conduct systematic investigation as per Reference Document issued by CPCB.

Findings of the report may be placed at SPCB/PCC website and also submit to CPCB from time to time.

- 2. As per directions of Hon'ble NGT dated 01.07.2020, 5 sites should be taken for remediation and executed within a period of six months. In compliance, 3 contaminated sites in Odisha have been initiated remediation works and for other 2 sites in UP tendering process is underway. In addition, 1 site in Kerala has also been initiated tendering process. In this regard, it is submitted that remediation projects are relatively new in the country where there is no standardization in tendering process and limited experience in execution, hence execution of remediation works may take more time than normal civil works. However, SPCBs/PCC should direct the concerned responsible agencies to expedite the process and realistic timeline should be monitored strictly.*
- 3. 3 out of 21 States/UT namely Odisha, West Bengal and Delhi have requested more time for completion of preliminary site investigation of the sites and to submit compliance reports, due to on-going pandemic situation.*
- 4. As per status report, hazardous waste is still lying at 8 sites in 5 States for which DPRs have already been prepared or under completion (for kind reference at **Annexure-V**). Action for shifting of hazardous waste initiated in 3 sites in Odisha. In this regard, it is submitted that open dumping of hazardous waste will result in continuous and active release of contaminants to soil and groundwater and thereby the contaminated plume may increase gradually, this may also impact cost of remediation adversely. Therefore, it is essential to lift hazardous waste immediately to contain further damage to environment. SPCBs/PCCs may therefore direct all responsible parties to immediately lift the waste and dump at common hazardous waste treatment, storage and disposal facilities (TSDFs). In case of orphan sites, this work may be carried out by respective State Governments to protect public health.*
- 5. CPCB may continue to maintain a centralized list of contaminated sites for which SPCBs may update the list periodically supplementing with site specific data. The data may be uploaded on websites and SPCBs and CPCB.*
- 6. As per the status reports, Empowered Monitoring Committees (EMC) has been constituted by Odisha State, rest of the States have not constituted EMC for monitoring of Remediation Plan.*
- 7. SPCBs/PCC may recognize remediation of contaminated sites as a regular activity. Dedicated teams and infrastructure may be developed by SPCBs/PCC to identify the sites, monitor and regulate the remediation as per MoEF&CC and CPCB guidance documents.*

8. *In case of orphan sites, SPCBs may approach State Government to prepare DPRs and execute remediation works. In cases where polluter or the responsible party is identified, SPCBs may direct the party to bear the cost and execute remediation works with prior authorization from SPCBs/PCC. In case the responsible party fail to remediate, the cost of remediation may be recovered as per polluter pays principle.*
9. *SPCBs/PCC should direct the responsible parties to immediately lift the hazardous waste still lying at dumpsites.*
10. *SPCBs/PCC may take follow-up actions as per the State specific observation of CPCB given at **Annexure VI.***

13. The report also mentions the mechanism to cross verify the status of hazardous waste generating/handling industries. Finally, the report gives the State-wise compliance status of the action taken by the State PCBs/PCCs with the observations and suggestions of the CPCB.

14. We have considered the report of the CPCB and appreciate the efforts in compiling all the relevant information on this important subject and direct that observations/suggestions of the CPCB with reference to the compliance by the State PCBs/PCCs may now be duly complied expeditiously, which may be further overseen by the CPCB. The CPCB may assess compensation if the State PCBs/PCCs neglect compliance, following due process, which may be recovered and utilized for restoration of the environment, by preparing an action plan to be approved by the Chairman, CPCB. Even though the report of the CPCB is exhaustive for all the States, we take on record the report furnished by the Oversight Committee for State of UP filed on 10.09.2020. As directed earlier, the MoEF&CC may follow up compliance of steps to be taken by the Central Ministries, for which purpose the CPCB may coordinate with the MoEF&CC. CPCB may impose compensation, if necessary, on the States/UTs which fail to set up TSDF or make other alternative arrangement for management of hazardous waste as per Rules. CPCB

may also notify the contaminated sites, having potential for damage to the environment, in public domain, alongwith damage caused and the studies undertaken. CPCB may also ensure that hazardous waste generators/recycles/operators of TSDF follow safety protocols, undertake periodical audits, have onsite and offsite emergency plans to avert accidents and fire and other environmental damage.

15. In view of the exhaustive report and having issued directions for compliance and further monitoring, we do not find it necessary to keep the matter pending with the Tribunal. The proceedings before the Tribunal are accordingly closed, with further monitoring being done at the level of the CPCB and the MoEF&CC, as already directed.

We also permit the applicant to give any further suggestion to the CPCB within one week.

A copy of this order be forwarded to the CPCB, the MoEF&CC, all State PCBs/PCCs by e-mail for compliance.

Adarsh Kumar Goel, CP

S.K. Singh, JM

SN

APPENDIX-I

The status on the compliance visa- a- vis recommendations are as given below:

S. No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
1.	05 SPCBs/PCCs (Andaman & Nicobar Islands, Arunachal Pradesh, DD&DNH, Karnataka, and Meghalaya) be directed to submit the quarterly compliance status report on implementation of recommendations made by the Monitoring Committee in its Interim report, as CPCB has not received status report for the 2 nd , 3 rd and 4 th quarters from these SPCBs/PCCs. Further, Uttar Pradesh may also be directed to submit the compliance status on the directions issued by CPCB vide dated 30/01/2019 in case of Spent Solvent Recovery Units.	Not Complied- Andaman & Nicobar Islands, Arunachal Pradesh, DD&DNH, Karnataka, and Meghalaya Complied - Uttar Pradesh	None of the 05 SPCBs/PCCs namely Arunachal Pradesh, DD&DNH, Karnataka, and Meghalaya have submitted quarterly compliance status report for the period of July, 2019 to March 2020. However, Andaman & Nicobar Islands, Arunachal Pradesh, Karnataka and Meghalaya have submitted status as on date. -	DD&DNH shall submit the quarterly compliance status to CPCB immediately. -
2.	As per categorization made by CPCB, since SPCBs of Assam and Chhattisgarh	Not Complied - Chhattisgarh and Assam	Compensation not deposited by Assam and Chhattisgarh.	The Hon'ble Tribunal may pass appropriate orders based on submissions made

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
	<p>have not set-up TSDF within the timeline (i.e. upto 31/03/3020) stipulated by the Hon'ble Tribunal vide its order dated 26/08/2019, the Hon'ble Tribunal may direct accordingly for imposition of environmental compensation in accordance with the said order.</p>		<p>However, State Government of Assam vide its letter dated 30/09/2020 requested CPCB to move application before Hon'ble NGT to condone the compensation. In response CPCB vide its letter dated 23/11/2020 requested the Environment and Forest Department to directly approach Hon'ble NGT for any relief in this regard.</p>	<p>by Chhattisgarh and Assam, if any.</p>
3.	<p>SPCBs/PCCs shall ensure timely submission of annual returns by all occupiers and in case of non-compliances (i.e. for non-submission/after lapse of timeline) action may be taken in accordance with the provisions laid down under the HOWM Rules, 2016.</p>	<p>Complied Bihar, Haryana, Puducherry, Sikkim</p> <p>Partially Complied- Arunachal Pradesh, Chandigarh, Gujarat, Himachal Pradesh, Jammu & Kashmir, Kerala, Madhya Pradesh, Maharashtra, Manipur, Mizoram, Odisha, Punjab, Rajasthan, Telangana, Tripura, Uttar Pradesh Uttarakhand and West Bengal</p> <p>Not Complied - Andaman & Nicobar Islands, Andhra Pradesh, Chhattisgarh, Delhi, Goa, Jharkhand, Karnataka,</p>	<p>Lakshadweep PCC has not granted authorization to any unit</p> <p>Assam PCB has not reported the number of units who have submitted annual returns.</p>	<p>i. 10 SPCBs/PCC namely Andaman & Nicobar Islands, Andhra Pradesh, Chhattisgarh, Delhi, Goa, Jharkhand, Karnataka, Meghalaya, Nagaland and Tamil Nadu be directed to ensure timely submission of annual returns by all occupiers and in case of non-compliances (i.e. for non-submission/after lapse of timeline) action may be taken in</p>

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
		Lakshadweep, Meghalaya, Nagaland and Tamil Nadu Information not provided- Assam		<p>accordance with the provisions laid down under the HOWM Rules, 2016.</p> <p>ii. 18 SPCBs/PCC (i.e. Arunachal Pradesh, Chandigarh, Gujarat, Himachal Pradesh, Jammu & Kashmir, Kerala, Madhya Pradesh, Maharashtra, Manipur, Mizoram, Odisha, Punjab, Rajasthan, Telangana, Tripura, Uttar Pradesh Uttarakhand and West Bengal) shall ensure to take action in accordance with the provisions laid down under the HOWM Rules, 2016, against the occupiers not submitting the annual returns within the stipulated timeline.</p>

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
				<p>iii. Assam PCB be directed to submit the status of submission of annual return by HW generating units in the State of Assam and action taken in case of defaulting units.</p> <p>Further, Lakshadweep PCC be directed to grant authorization to hazardous waste generating/handling units in accordance with HOWM Rules, 2016.</p>
4.	<p>SPCBs/PCCs shall prepare annual inventory report on hazardous and other waste generation and its management, as per CPCB's guidelines and ensure submission of same within stipulated timeframe as laid down under HOWM Rules, 2016.</p>	<p>Complied- Bihar, Chandigarh, Delhi, Goa, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Kerala, Maharashtra, Manipur, Mizoram, Nagaland, Sikkim, Tamil Nadu, Uttar Pradesh and Uttarakhand</p> <p>Partially Complied - Andaman & Nicobar Islands, Assam, Andhra Pradesh, Chhattisgarh, Gujarat, Madhya Pradesh, Meghalaya,</p>	<p>Due to the on-going pandemic and based on request received from SPCBs/PCCs, submission of annual inventory was extended by 20/10/2020. However, 09 SPCBs namely Andhra Pradesh, Chhattisgarh, Gujarat, Madhya Pradesh, Odisha, Puducherry, Punjab, Telangana and West Bengal</p>	<p>i. 04 SPCBs/PCC namely Arunachal Pradesh, Karnataka, Lakshadweep and Tripura shall be directed to immediately submit the annual inventory to CPCB.</p> <p>ii. Assam PCB and Meghalaya shall</p>

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
		<p>Puducherry, Punjab, Odisha, Rajasthan, Telangana and West Bengal.</p> <p>Not Complied - Arunachal Pradesh, Karnataka, Lakshadweep and Tripura</p>	<p>have submitted annual inventory after 20/10/2020 Assam PCB and Meghalaya have not submitted the annual inventory as per the prescribed format.</p> <p>Rajasthan PCB has submitted inventory of 2019-20 vide letter dated 28/12/2020.</p>	<p>submit the annual inventory as per prescribed formats.</p> <p>iii. 11 SPCBs/PCCs namely Andaman & Nicobar Islands, Andhra Pradesh, Chhattisgarh, Gujarat, Madhya Pradesh, Odisha, Puducherry, Punjab, Rajasthan, Telangana and West Bengal shall ensure timely submission of annual inventory.</p>
5.	<p>SPCBs/PCCs to ensure verification and reconciliation of closing of manifest document for all the cases in Hazardous waste handling/generating units.</p>	<p>Partially Complied - Andhra Pradesh, Arunachal Pradesh, Assam, Chandigarh, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Kerala, Madhya Pradesh, Maharashtra, Meghalaya, Odisha, Puducherry, Punjab, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh and West Bengal</p>	<p>It was observed that verification and reconciliation of closing of manifest document has been carried out in few cases by SPCBs/PCCs.</p> <p>Goa PCB has not provided details on the number however informed that partially complied.</p>	<p>SPCBs/PCCs shall ensure verification and reconciliation of closing of manifest document for all the cases (i.e. within the state and interstate) in hazardous waste handling/generating units.</p>

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
		<p>Not Complied – Andaman & Nicobar Islands, Bihar, Chhattisgarh, Delhi, Goa, Karnataka, Lakshadweep, Manipur, Mizoram and Nagaland</p> <p>Information not provided- Uttarakhand</p>	<p>Gujarat PCB has verified reconciliation of closing of manifest within the state, however, w.r.t inter-state informed that the same shall be complied through NHWIS portal.</p> <p>Manipur PCB has informed that the quantity of hazardous wastes generated (i. e. used oil) are mostly reused. Therefore, reconciliation of manifest does not arise.</p> <p>Puducherry PCC has informed that all the units are disposing HW through neighbouring state. Hence closing of manifest is found difficult as the grey copies were not received.</p>	
6.	SPCBs/PCCs of 25 States/UTs shall initiate action on development of sectoral process based reasonable HW generation range/ environmental benchmarking/guidelines	<p>Complied -Gujarat, Haryana, Himachal Pradesh, Kerala, Madhya Pradesh, Mizoram, Tamil Nadu and West Bengal</p> <p>Not Complied (but timeline provided) – Arunachal Pradesh</p>	<p>Haryana and Kerala PCBs have initiated the process to get study conducted from NPC.</p> <p>Assam has initiated action for benchmarking of HW for recycling/utilization in case of petroleum refineries and oil</p>	SPCBs/PCCs shall expedite/initiate action on development of sectoral process based reasonable HW generation range/ environmental benchmarking/guidelines for

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
	for HW recycling/ utilization and approach for waste management hierarchy and submit the progress report on the same within 06 months to CPCB.	<p>(December, 2021), Bihar (31/12/2022), Chandigarh (March, 2021), Chhattisgarh (03 months) Jammu & Kashmir (March, 2021) and Punjab (March, 2021)</p> <p>Not Complied - Andaman & Nicobar Islands Andhra Pradesh, Assam, Delhi, Goa, Jharkhand, Karnataka, Lakshadweep, Manipur, Maharashtra, Meghalaya, Nagaland, Odisha, Puducherry, Rajasthan, Sikkim, Telangana, Tripura and Uttar Pradesh.</p> <p>Information not Provided - Uttarakhand</p>	<p>and gas production sector in the State. The process shall require some time for its completion.</p> <p>Himachal Pradesh has constituted Committee in this regard.</p> <p>Goa, Jharkhand and Maharashtra PCBs have informed that it is under process.</p> <p>Manipur Only used oils generated from automobile workshops and garages sector, however details not provided.</p> <p>Tripura PCB requested CPCB to develop such benchmark/guidelines for HW recycling and approach for waste management hierarchy.</p>	<p>HW recycling/ utilization and approach for waste management hierarchy.</p> <p>Further, the details on the sector identified and progress made on development of the said documents be submitted within 01 months to CPCB.</p>
7.	SPCBs/PCCs to ensure regular updation of website with respect to all enforcement actions along with details of industries and action taken thereof.	Complied - Andhra Pradesh, Assam, Chhattisgarh, Delhi, Goa, Gujarat, Haryana, Jammu & Kashmir, Jharkhand, Maharashtra, Odisha,	Chandigarh has informed that security auditing under process.	SPCBs/PCCs to ensure regular updation of website with respect to all enforcement actions along with details of industries and action taken thereof.

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
		<p>Puducherry, Tamil Nadu, Telangana, Tripura</p> <p>Not Complied – Andaman & Nicobar Islands, Arunachal Pradesh, Bihar, Chandigarh, Himachal Pradesh, Karnataka, Kerala, Lakshadweep, Madhya Pradesh, Mizoram, Meghalaya, Manipur, Nagaland, Rajasthan, Punjab, Uttar Pradesh and West Bengal</p> <p>Not applicable (<i>not observed any non-compliances</i>)- Sikkim</p> <p>Information not Provided - Uttarakhand</p>	<p>Karnataka has provided the web link of the Board despite of providing specific link.</p> <p>West Bengal PCB has informed that developing/ uploading work of their new website under progress.</p>	
8.	SPCBs/PCCs (of States/UT having spent solvent recovery units) shall ensure implementation of the CPCB directions dated 30/01/2019 and submit the compliance report annually to CPCB.	<p>Complied - Andhra Pradesh, Goa, Gujarat, Karnataka, Maharashtra, Madhya Pradesh, Odisha, Puducherry, Punjab, Tamil Nadu, Telangana and West Bengal</p> <p>Partially Complied – Rajasthan and Uttar Pradesh</p> <p>Not Applicable (<i>no spent solvent recovery unit</i>)- Andaman & Nicobar Islands, Arunachal Pradesh,</p>	<p>Rajasthan PCB has verified only 01 unit, out of 03 units, manifest system is being followed up by only 01 unit; no action has been taken against erring units and also no interaction programs has been conducted with stakeholders.</p> <p>Uttar Pradesh PCB has not provided web link w.r.t publishing of spent solvent</p>	<p>i. Rajasthan PCB shall ensure compliance of all points of the CPCB direction dated 30.01.2019.</p> <p>ii. Uttar Pradesh PCB shall ensure display of inventory on spent solvent recovery units on their website as per CPCB's directions.</p>

S.No.	GENERAL DIRECTIONS	STATUS OF COMPLINACE	REMARKS/OBSERVATIONS	RECOMMENDATIONS
		Assam, Bihar, Chandigarh, Chhattisgarh, Delhi, Himachal Pradesh, Haryana, Jammu & Kashmir, Jharkhand, Kerala, Lakshadweep, Manipur, Mizoram, Meghalaya, Nagaland, Sikkim, Tripura and Uttarakhand.	inventory on their website and also not carried interaction program to create awareness.	iii. UPPCB shall conduct industry interaction programs within a month to create awareness and sensitization on HOWM Rules, 2016 with all the stakeholder industries of Spent Solvent generation/utilization.

The state-wise status on compliance of the recommendations are given as below:

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
1.	Andaman & Nicobar	<p>i. Board shall take necessary action for compliance to the HOWM Rules, 2016 and recommendations of the Monitoring Committee and</p> <p>. Board shall be directed to submit the 2nd, 3rd and 4th quarter compliance report.</p>	<p>i. Complied. <i>w.r.t stipulation of mode of management of HW in authorization document; Evaluation of authorization granted/renewed; Adoption of uniform inspection format;</i></p> <p>ii. Not Complied <i>w.r.t Scientific principal based identification and quantification of Hazardous waste; development of elaborate protocol for pre-processing; inspection and monitoring of waste collector/recycler/utilizer; Closing and reconciliation of manifest; Verification of inventory submitted by units; Development of waste generation range; website updation w.r.t enforcement actions; inclusion of fluorescent and other mercury containing lamps into the ambit of HW inventory; Capacity building; approach for recycling/utilization as per waste management</i></p>	<p>i. Shall carry out identification and quantification of Hazardous and Other Waste.</p> <p>ii. Board shall ensure verification of closing of the manifests received and reconcile the HW handling data.</p> <p>iii. Board shall invoke the powers conferred under clause 23 (1) and (2) of the Rules, related to all damages caused to the environment or third party due to improper handling and management of the hazardous and other wastes, and non-compliance respectively.</p> <p>iv. Board shall verify and validate the inventory data before accepting the same and adopt the CPCB's guidelines while preparation of HW inventory report.</p> <p>v. Board shall prosecute habitual and serious defaulters under provisions of the Environment (Protection) Act, 1986. Other</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
		<p>iii. Board shall be directed to submit the status on setting up of TSDF or sharing arrangement with authorized common TSDFs of neighboring states.</p>	<p><i>hierarchy; Development of benchmarking for HW generation and possibility of recycling/utilization.</i></p> <p>iii. Partially Complied <i>w.r.t inclusion of domestic Hazardous waste into the ambit of national hazardous waste inventory; setting up of TSDFs or sharing arrangement.</i></p> <p><i>(PCC has informed that as per CPCB document, A&N Island falls under the states/UT generating less than 500 MTA of landfillable HW be permitted to make sharing arrangement with neighboring states for disposal of Hazardous waste. In this regard, PCC has authorized unit for collection, storage and transportation of used oil, however, no information has been provided w.r.t arrangement made for disposal of hazardous waste.)</i></p> <p>i. Not applicable:</p>	<p>alternative regulatory actions including refusal and revocation of Authorisation can also be explored following the due process.</p> <p>vi. Shall develop elaborated protocols for pre-processing and recycling/utilization facilities for enhanced level and frequency of enforcement and environmental monitoring.</p> <p>vii. Board shall develop sectoral process based reasonable HW generation range to have uniformity in assessing the HW generation from industries and benchmarking the same with its peers, rather than solely depending on industry data.</p> <p>viii. Board shall update websites with respect to all enforcement actions along with details of industries and action taken.</p> <p>ix. Board shall develop an enforcement framework for effective enforcement of Rules</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
			<p><i>w.r.t. direction to common TSDF operator for not returning HW consignment, environmental audit of TSDFs, disclosure of escrow account)</i></p>	<p>based on principle of proportionality and also, precautionary principle.</p> <p>x. Board shall develop document in recycling and utilisation of HW in terms waste management hierarchy mandated in the rules across all the States in order to ensure the level playing field for the industry.</p> <p>xi. Board shall also develop certain benchmarks/ guidelines for the possibilities of HW recycle/utilisation on case to case basis.</p> <p>xii. Board shall develop concept of environmental benchmarking among the similar industries generating HW can be useful to ensure consistency and uniformity. The emerging trend of circular economy would be a key intervention for rationalizing the HW generation and reuse/utilisation.</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
				<p>xiii. In accordance with the orders dated 26/08/2019 of the Hon'ble Tribunal and CPCB report on categorization of States, Board shall submit the status on sharing arrangement made with authorized common TSDFs of neighboring states.</p> <p>xiv. Board needs to take cognizance of aspects while enforcing the relevant rules (w.r.t. domestic hazardous waste and hazardous waste generated from e-waste rules like fluorescent lamp other mercury containing lamp) and also, preparation of HW inventory and other interventions.</p> <p>xv. Board shall initiate action for establishment of the laboratory facility where all HW parameters as required under the Rules can be analyzed.</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
2.	Andhra Pradesh	<p>i. Develop enforcement framework document for effective enforcement of Rules within one month.</p> <p>vi. Expedite conducting of environmental audit of common/captive TSDFs available in the State and submit the audit report to CPCB.</p> <p>ii. Develop sectoral process reasonable HW generation range to have uniformity in assessing the HW generation from industries and benchmarking the same with its peers.</p>	<p>i. Complied. <i>Board is implementing the framework developed by CPCB.</i></p> <p>xvi. Partially Complied <i>Andhra Pradesh PCB has informed that board has inspected both TSDFs at Visakhapatnam and Nellore on 23.07.2020 and 16.09.2020 respectively, however, not submitted any report and not provided response in respect of captive TSDF.</i></p> <p>xvii. Not Complied. <i>APPCB is issuing Consent for Establish (CFE) after thorough verification of material balance and the EMP submitted by the industry and the hazardous waste generation and disposal quantities are being examined through a Technical Committee. Further, during the inspections, the APPCB officials are verifying the batch processing sheets and material balance submitted by the industry.</i></p>	<p>i. Andhra Pradesh PCB shall immediately submit the environmental audit report of common TSDFs and shall also initiate audit of captive TSDFs operating in the state and submit the audit report to CPCB.</p> <p>vii. Develop sectoral process based reasonable HW generation range to have uniformity in assessing the HW generation from industries and benchmarking the same with its peers.</p> <p>viii. Andhra Pradesh PCB direct the operator of common TSDF, Nellore to deposit the mandatory in escrow account and display of same on website of operators.</p> <p>ix. Board shall immediately take necessary action in case of non-compliant spent solvent recovery units.</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
		<p>iv. Immediately open escrow account in the remaining TSDF also and ensure verification of same by board and display on website of operator.</p> <p>v. Andhra Pradesh PCB to ensure all the Spent solvent recovery units operating in the State have mandatory authorization, following manifest system and have been verified for compliance of CPCB's SoP. Further, Board to initiate action against the erring units.</p>	<p><i>along with the application for v. quantification of waste generation.</i></p> <p>iv. Partially complied</p> <p><i>Both TSDFs (i.e. Nellore and Visakhapatnam) have opened the Escrow Account. However, the mandatory amount has not been deposited by TSDF, Nellore and details w.r. t display on same has not been provided by the Board.</i></p> <p>v. Partially Complied</p> <p><i>There are 100 Spent solvent generating units and 84 spent solvent recovery units authorized to recover approx. 1 Million MT/annum of Spent Solvent. 35 units does not comply with requisite manifest document and 54 units are not complying with CPCBs SoPs for spent solvent recovery. Show-cause notice has been issued to 03 units found violating CPCB's SoP/manifest</i></p>	<p>Board shall immediately update inventory of Spent Solvent Recovery Units (available in their States) on Board's website and provide the link of same.</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
		vi. Board shall immediately update inventory of Spent Solvent Recovery Units available in their States on Board's website and provide the link of same.	<p><i>documents/ other provision of the HOWM Rules, 2016.</i></p> <p>vi. Not-Complied <i>No information provided by Andhra Pradesh PCB in this regard.</i></p>	
3.	Arunachal Pradesh	<p>i. Board shall take necessary action for compliance to the HOWM Rules, 2016 and recommendations of the Monitoring Committee.</p> <p>iii. Board shall be directed to submit the 2nd, 3rd and 4th quarter compliance report.</p> <p>ii. Board shall be directed to submit the status on setting up of TSDF or sharing arrangement with authorized common TSDFs of neighboring states.</p>	<p>ii. Complied. <i>w.r.t. stipulation of mode of management of HW in authorization document, prosecution of habitual and serious defaulters under provisions of the Environment (Protection) Act, 1986, documentation of non-compliances</i></p> <p>iii. Partially Complied <i>w.r.t. verification of closing of the manifests; verification of annual returns.</i></p> <p>iv. Not-Complied <i>w.r.t. development of elaborated protocols for pre-processing and recycling/utilization facilities (timeline- December, 2021) ;</i></p>	<p>i. Board shall initiate action for inclusion of Other waste in the regulatory actions, including inventory.</p> <p>ii. Shall carry out identification and quantification of Hazardous and Other Waste.</p> <p>iii. Shall develop elaborated protocols for pre-processing and recycling/utilization facilities for enhanced level and frequency of enforcement and environmental monitoring.</p> <p>iv. Shall develop Uniform format for visits and inspections of HW handling facilities is necessary to ensure comprehensive inspections</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
			<p><i>of Hazardous and Other Waste ;development of Uniform format for visits and inspections ; updation of websites w.r.t. all enforcement actions ; development of sectoral process based reasonable HW generation range (timeline- December, 2021) ; development of framework for effective enforcement of Rules ; setting up of TSDF or sharing arrangements with TSDF of neighboring State ; setting of laboratory facility (timeline- December, 2022) ; cognizance of aspects while enforcing the relevant rules ; inclusion of Other Waste and Domestic HW into the ambit of annual inventory ; development of environmental benchmarking among similar industries (timeline- December, 2022)</i></p> <p>v. Not applicable: <i>w.r.t. direction to common TSDF operator for not returning HW consignment, environmental</i></p>	<p>as per the provisions of the Rules.</p> <p>v. Board shall develop sectoral process based reasonable HW generation range to have uniformity in assessing the HW generation from industries and benchmarking the same with its peers, rather than solely depending on industry data.</p> <p>vi. Board shall update websites with respect to all enforcement actions along with details of industries and action taken.</p> <p>vii. Board shall develop an enforcement framework for effective enforcement of Rules based on principle of proportionality and also, precautionary principle.</p> <p>viii. Board shall develop document in recycling and utilisation of HW in terms waste management hierarchy mandated in the rules across all the States in order to</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
			<i>audit of TSDFs, disclosure of escrow account)</i>	<p>ensure the level playing field for the industry.</p> <p>ix. Board shall also develop certain benchmarks/ guidelines for the possibilities of HW recycle/utilisation on case to case basis.</p> <p>x. Board shall develop concept of environmental benchmarking among the similar industries generating HW can be useful to ensure consistency and uniformity. The emerging trend of circular economy would be a key intervention for rationalizing the HW generation and reuse/utilisation.</p> <p>xi. In accordance with the orders dated 26/08/2019 of the Hon'ble Tribunal and CPCB report on categorization of States, Board shall submit the status on sharing arrangement made with authorized common TSDFs of neighboring states.</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
				<p>xii. Board needs to take cognizance of aspects while enforcing the relevant rules (w.r.t. domestic hazardous waste and hazardous waste generated from e-waste rules like fluorescent lamp other mercury containing lamp) and also, preparation of HW inventory and other interventions.</p> <p>xiii. Board shall immediately upgrade the laboratory facility where all HW parameters as required under the Rules can be analyzed.</p>
4.	Assam	<p>i. Immediately adopt identification and quantification of HW based on scientific principal; inclusion of mode of management of each hazardous waste generated in the authorization document.</p> <p>ii. Develop elaborate protocol environmental monitoring of recyclers/utilizers within one month.</p>	<p>i. Not Complied.</p> <p>ii. Complied <i>Frequency of inspection: All HW generating units- once a year; Category 17 and red</i></p>	<p>i. Board shall immediately adopt the identification and quantification of HW based on scientific principal; inclusion of mode of management of each hazardous waste generated in the authorization document.</p> <p>ii. Board shall ensure availability of laboratory facilities for</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
		<p>iii. Take initiative for development of centralized laboratory for north-east region and commissioning of same within 06 months.</p> <p>iv. Develop enforcement framework document for effective enforcement of Rules within one month.</p> <p>v. Board shall immediately update website with respect to all enforcement actions along with details of industries and action taken.</p> <p>vi. Expedite conducting of environmental audit of captive</p>	<p><i>category units and captive TSDFs- once in 06 months; Pre-processing, recycling & utilization units- once in 03 months.</i></p> <p>iii. Partially Complied <i>Laboratory facility available with Assam PCB has been provided.</i></p> <p>iv. Partially Complied <i>Draft framework prepared consisting of monitoring/tracking of non-compliances and frequency of inspection, inventorization of industries and identification and categorization of violations and action to be initiated thereof.</i></p> <p>v. Complied</p> <p>vi. Not Complied</p>	<p>analysis of all the parameters as specified in HOWM Rules.</p> <p>iii. Develop enforcement framework document for effective enforcement of Rules.</p> <p>iv. Expedite conducting of environmental audit of captive TSDFs available in the State and submit the audit report to CPCB.</p> <p>v. Immediately set up TSDF in their State as the timeline (i.e 31/03/2020) stipulated by the Hon'ble Tribunal for compliance has already lapsed.</p>

S. NO.	STATE/UT	DIRECTIONS	STATUS	RECOMMENDATIONS
		<p>TSDFs available in the State and submit the audit report to CPCB.</p> <p>vii. Immediately set up TSDF in their State as the timeline for compliance has already been lapsed.</p>	<p><i>Guidelines being sought from CPCB.</i></p> <p>vii. Not Complied <i>Process of selection of Developers for establishment of TSDF is under process.</i></p>	
5.	Bihar	<p>i. Board shall invoke the powers conferred under clause 23 (1) and (2) of the Rules, related to all damages caused to the environment or third party due to improper handling and management of the hazardous and other wastes, and non-compliance respectively.</p> <p>ii. Board shall expedite the development of elaborate protocols to ensure enhanced level and frequency of enforcement and environmental monitoring of recycling/ utilisation facilities.</p>	<p>Information not submitted as per the format circulated by CPCB vide letter dated 20/07/2020, however, quarterly report for July-September, 2020 has been submitted.</p> <p>i. Status on compliance of the recommendations pertaining to CPCB:

1. *Development of National Hazardous Waste Tracking System for effective enforcement of rules including verification and reconciliation of manifest system for movement of hazardous waste.*

Status: *The development of above tracking system is under process. Further, for the development of National Hazardous Waste Tracking System, CPCB requested Ministry of Environment, Forest and Climate Change for considering the National Hazardous Waste Tracking System under Central Sector Scheme of Hazardous Substance Management Division. The said project was also discussed in the meeting convened by MoEF&CC on 18/11/2020 and minutes of the said meeting is awaited.*

Recommendation: *CPCB shall expedite the process of developing National Hazardous Waste Tracking System. Till the development of above tracking system, SPCBs/PCCs shall ensure effective enforcement of rules including verification and reconciliation of manifest system for movement of hazardous waste.*

2. *Evaluation and strengthening of laboratory facilities available with SPCBs/PCCs for analysis of all parameters specific under HOWM Rules.*

APPENDIX-II

Status: CPCB prepared format for providing the details of the laboratory facilities available with SPCBs/PCCs. Out of 34 SPCBs/PCCs (who have submitted the status report) only 23 SPCBs/PCCs namely Andhra Pradesh, Assam, Delhi, Goa, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Meghalaya, Mizoram, Nagaland, Odisha, Puducherry, Rajasthan, Tamil Nadu, Telangana, Tripura, Uttar Pradesh and West Bengal have laboratory facilities available in their State/UT, however, not for all the parameters as specified in HOWM Rules, 2016. Whereas, 10 SPCBs/PCCs (namely Andaman & Nicobar Island (pH, DO and Noise meter only) Arunachal Pradesh, Bihar, Chandigarh, Chhattisgarh, Jharkhand, Lakshadweep, Manipur, Punjab and Sikkim) have no facility for analysis parameters specified under HOWM Rules, 2016. Further, no information has been provided by Uttarakhand PCB in this regard

Chhattisgarh ECB has informed that analysis is being carried out by third party lab however land has been procured for setting of central laboratory and will be developed by 31/12/2021. DPCC has laboratory facility for limited parameter (such as Zn, Pb, Co, Cr, Ni, Fe) and instruments like Bomb Colorimeter, XRF spectrophotometer, Zero head extractor, Flash point apparatus, Rotary evaporator, and Inducted coupled plasma are under procurement.

Haryana SPCB have 04 laboratories at Gurugram, Hissar, Faridabad and Panchkula, of which, only Panchklula laboratory is accredited. Board is in the process of purchasing laboratory equipment for analysis of remaining parameters i.e. ICP and Gas Chromatography. Mizoram PCB has provided list of instruments available with them and proposal submitted to CPCB regarding upgradation of tory facilities.

Kerala SPCB has informed that the Board's Central Lab is accredited by NABL & being continuously upgraded for analysis of all HW parameters. In case of non- availability of the infrastructure for analysis of some HW parameters it is done through external laboratories.

Further, CPCB is also conducting training courses for SPCBs/PCCs under Capacity Building Program.

Recommendations: All the SPCBs/PCCs shall submit the details of the laboratory facilities available with them to CPCB in the prescribed format for evaluation. Upon examination of the information provided by SPCBs/PCCs, CPCB shall communicate the gaps/shortcomings in the available facilities for analysis of all parameters specified in HOWM Rules, if any to SPCBs/PCCs.

Verification of inventory report submitted by SPCBs/PCCs by way of test checks to ensure that the same is credible, reliable and robust in terms of contents and scope.

Status: In this regard, CPCB initiated project for verification of inventory report along with compliance to HOWM Rules through government institutes like IIT, NIT, NEERI, etc. CPCB has identified about 104 institutes for carrying out the said project. SPCBs/PCCs have also been requested to provide the list of hazardous waste generating/handling units available in their states. Shortlisting of state-wise institutes and award of project is under process. The project is expected to be completed within 06 months after award of work.

Recommendations: CPCB shall ensure the above verification being carried out in the presence/collaboration of SPCB/PCC and also ensure timely completion of verification of inventory report. Thereafter, based on above study and methodology illustrated during the above study, SPCBs/PCCs shall carry out the task of verification of inventory every year.

3.2 Compliance Status, Observations and Recommendations on the action points covered in the Final Report of the Monitoring Committee vis-a-vis orders dated 26/08/2019 of the Hon'ble Tribunal

The orders (uploaded) dated 07/07/2020 of the Hon'ble Tribunal was communicated to all implementing agencies for compliance. In this regard, status of implementation has been received from Ministry of Commerce(CBIC), Ministry of Labour & Employment, DGFT, DG (S) and SPCBs/PCCs of 31 States/UTs namely Andaman & Nicobar Islands, Andhra Pradesh, Arunachal Pradesh, Assam, Chandigarh, Chhattisgarh, Delhi, Goa, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Lakshadweep, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Odisha, Puducherry, Punjab, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh and West Bengal. SPCBs of Nagaland and Uttarakhand have also submitted information but not on the recommendations made in CPCB report (June2020) w.r.t actions points given in the Interim and Final Report of the Monitoring Committee.

However, status of implementation has not been provided by Ministry of Environment Forest & Climate Change, Port Authorities and 02 SPCB/PCC namely Bihar and DD&DNH on recommendations pertaining to implementation of the Final report of the Monitoring committee.

On the basis of status of implementation by various agencies/SPCBs, the compliance status on various recommendations (except on contaminated sites as the same has been provided separately at Section 4 of this report) vis-à-vis the responsible Ministries/Agencies is as below:

S. No.	Recommendations (Responsible Agency and timeline of action)	Status of Compliance	Remarks/Observations	Recommendation
I. IMPORT AND EXPORT OF HAZARDOUS WASTES AND ISSUES				
5.	<p>Disposal of illegally imported consignments:</p> <p>(i) CBIC and Port authorities have to jointly devise a policy and mechanism for disposal of confiscated and unclaimed/uncleared cargo lying at various ports. The policy/mechanism has to cover the details of bearing cost for disposal of such consignments.</p> <p>(CBIC and Port Authorities : 05 months).</p>	<p>CBIC-Partially Complied</p> <p><i>CBIC has informed that Cost for disposal regarding unclaimed/uncleared cargo is to be borne by the custodian as per procedure laid down in Circular No. 49/2018-Customs dated 03.12.2018. Further, it has informed that cost for disposal regarding confiscated hazardous cargo would be borne by CBIC.</i></p> <p>Port Authorities- Not Complied</p>	<p>The circular dated 03/12/2018 states that the custodian has to arrange for destruction of goods at their own expenses, whereas CBIC has informed that cost for disposal regarding confiscated hazardous cargo would be borne by CBIC. The same needs to be clarified and communicated to concerned for implementation.</p> <p>The Monitoring Committee had noted that there had been considerable delay in</p>	<p>i. CBIC shall take necessary steps to strictly enforce its Circular No. 49/2018-Customs dated 03.12.2018 and incorporate mechanism/details of cost for disposal of confiscated hazardous waste.</p> <p>ii. CBIC shall inform MoEF&CC and DGFT w.r.t details of the confiscated and unclaimed/uncleared cargo disposed and</p>

S. No.	Recommendations (Responsible Agency and timeline of action)	Status of Compliance	Remarks/Observations	Recommendation
		<i>Port Authorities have not provided implementation status</i>	clearing the uncleared/unclaimed consignments. CBIC circular dated 03.12.2018 needs to be strictly implemented, CBIC shall regularly verify the same and apprise the DGFT and MoEF&CC w.r.t disposal of the consignments with details of the importer.	importers of the same on regular basis. iii. Port Authorities shall immediately submit compliance status on the Hon'ble NGT orders dated 07/07/2020 and ensure timely disposal of all the confiscated and uncleared/unclaimed cargos in consultation with Customs.
6.	<p>Laboratory Upgradation in Ports/Docks:</p> <p>(i) CBIC to further extend and enhance the laboratory infrastructure in all the major ports and other non-major ports to prevent entry of hazardous wastes. Otherwise, arrangements for analysis of relevant parameters with EPA/NABL accredited laboratories having minimum requisite laboratory infrastructure/equipment can</p>	<p>CBIC- Partially Complied</p> <p><i>CBIC has informed that Central Revenues Control Laboratories have been upgraded and have been equipped with new, state of art equipment's with recommendations made in WCO laboratory Guide 2017.</i></p>	Information regarding arrangements for analysis of relevant parameters have not been provided for non-major ports. Further, parameter (as per Schedule III of HOWM Rules, 2016) wise details on the availability of facility for analysis needs to be verified.	i. CBIC shall make arrangements for analysis of relevant parameters at non-major ports to prevent entry of illegal hazardous wastes either by setting up its own infrastructure or though EPA/NABL accredited lab. CBIC shall also provide parameter (as per Schedule III of HOWM Rules, 2016) wise details on the availability of facility for analysis.

S. No.	Recommendations (Responsible Agency and timeline of action)	Status of Compliance	Remarks/Observations	Recommendation
	<p>be put in place in advance by CBIC.</p> <p>(CBIC: 05 months)</p>			
7.	<p>Bank Guarantee procedure</p> <p>(i) Procedure of executing bank guarantee by PSIA's and importer in case of import of restricted items (including hazardous wastes specified under Schedule III and VI) and other items as recommended by Monitoring committee be devised and mandated by DGFT.</p> <p>(DGFT: 05 months)</p>	<p>DGFT- Partially Complied</p> <p><i>DGFT vide its O.M dated 24/11/2020 has informed that Agencies which are seeking enlistment as PSIA's are required to submit Bank Guarantee of Rs. 10 lakhs. It was also informed that, inputs from MoEF&CC and DPIIT were sought by DGFT for mandating Bank Guarantee.</i></p>	<p>DGFT has not identified list and category of items on which BG is applicable and also not developed procedure for executing BG by PSIA/Importers in case of restricted items.</p>	<p>i. DGFT shall expedite the process for developing procedure of executing bank guarantee by importers and PSIA's in case of import of restricted items and identification of the list and category of items on which BG is applicable.</p>
8.	<p>Verification of documents for HW in Part D:</p> <p>(i) CBIC shall address the issue of strengthening of RMS for improved vigilance adequately, while verifying documents for import of other wastes (Part D of Schedule III of HOWM Rules, 2016), especially those that are</p>	<p>CBIC- Partially Complied</p> <p><i>CBIC has informed that RMS interdicts bills on potential risk on assessment and assessment & examination, further necessary verification by apprising officer. It was also informed that in case of facilitated bills of entry, documents relating</i></p>	<p>CBIC is verifying documents physically and placing interdiction on basis of RMS.
