

Proceedings of Environmental Public Hearing of M/s Maheshwar Gram Vikas Committee, Village Ralli, Tehsil Kalpa, Distt. Kinnaur H.P. for setting up of Two Way Passenger Ropeway from Shunarang, Village Ralli to Badodhar Village Mebar, Tehsil Kalpa, Distt. Kinnaur H.P.

Environmental Public Hearing of M/s Maheshwar Gram Vikas Committee was organised by H.P. State Pollution Control Board on 29.3.2017, 11.30 AM at Panchayat Bhawan Village Ralli, Tehsil Kalpa, Distt. Kinnaur H.P. for setting up of Two Way Passenger Ropeway from Shunarang, Village Ralli to Badodhar, Village Mebar, Tehsil Kalpa, Distt. Kinnaur H.P. This Environmental Public Hearing was held as per EIA Notification No. SO-1533 dated 14.9.2006 under the chairmanship of Sub Divisional Magistrate Kalpa. The attendance sheet of the present people is attached at Annexure-1. During this public hearing Chairman Zila Parishad Kinnaur, Block Medical Officer Sangla, NaibTehsildar Kalpa, Agriculture Development Officer Kalpa, Asstt. Engineer I & PH Reckong Peo, forest Guard Ralli Beat, Panchayat Pradhan Mebar and local people were present in the public hearing. First of all representative of H.P. State Pollution Control Board, Asstt. Environmental Engineer, RO, Rampur, Distt. Shimla H.P. welcomed the Sub Divisional Magistrate Kalpa, Govt. officers of different departments and the local people and explained the objective of the public hearing. After that Asstt. Environmental Engineer invited the consultant of M/s Maheshwar Gram Vikas Committee to deliver the technical details regarding the proposed Two Way Ropeway project.

After that with due permission of chairman the proceedings of Environmental Public Hearing were started and the entire proceedings were video graphed. The Chairman addressed the public and asked them to give their suggestions, views and queries regarding the project without any hesitation. During the course of public hearing issues/queries raised by the people are as follows:-

Sr.No.	Name and Address	Issues	Comments
1	Sh. Rajan Singh, Village Mebar, Tehsil Kalpa, Distt. Kinnaur	He said that proposed project is a commendable step but it should have been setup earlier. He also requested the proponent to complete the project as soon as possible.	The proponent said that proposed project needs some clearances from different Ministries/govt. departments and in getting those clearances some time was lapsed. He also said that they are trying their

			best to complete the project as early as possible.
2	Miss Pratishwari Negi, Chairperson Zila Parishad Kinnaur	She addressed the public and urged them to actively participate in the public hearing. Being representative of the public she also asked the project proponent that in case of accidents who will pay the compensation to the injured/deceased. She also appealed the public to ask questions regarding the project.	The project proponent said that they will try everything to avoid such situation. Proper daily/monthly/quarterly/yearly maintenance will be done as per Rules established by the Govt. He also said that they will try to incorporate a group insurance scheme so that compensation can be paid to the injured/deceased in case there is an accident. He also said that there is no residential area or private land under the proposed rope way corridor.

At the end of public hearing the Sub Divisional Magistrate Kalpa, appealed the public to express their views regarding the project without any hesitation. When no response was received from the public he asked them to confirm their support regarding setting up of two way passenger rope way project by raising their hands if they agreed so. After wards everybody raised their hands in support of setting up of the project. At last the representative of H.P. State Pollution Control Board thanked everyone to participate in the public hearing.
